The Bonds are to be secured by revenues of the parking system of the University, which may include but are not limited to, transportation access fees, parking decal fees, fines, special rental fees or other charges for parking services or parking spaces, and may additionally be secured by other revenues that are determined to be necessary and legally available. The Division

shall determine the amount of the Bonds to be issued and the date, terms, maturities, and other features of a fiscal or technical nature necessary for the issuance of the Bonds. Proceeds of the Bonds and other legally available monies shall be used for the project, authorized during Special Session E of the 2002 Legislature in Section 11, item 27, of Chapter 2002-394, Laws of Florida.

Section 6. As provided in Section 215.65, Florida Statutes, the fees charged by the Division and all expenses incurred by the Division in connection with the issuance of the Bonds (except for periodic arbitrage compliance fees, which shall be paid from other legally available funds) shall be paid and reimbursed to the Division from the proceeds of the sale of such Bonds. If for any reason (other than a reason based on factors completely within the control of the Division) the Bonds herein requested to be authorized are not sold and issued, the Board agrees and consents that such fees, charges and expenses incurred by the Division shall, at the request of the Division, be reimbursed to the

Division by the Board from any legally available funds of the Board.
