

FLORIDA BOARD OF EDUCATION
July 23-24, 2001

SUBJECT: Education Governance in Florida – The K-20 Model

PROPOSED BOARD ACTION

This agenda item requires no action.

BACKGROUND INFORMATION

The Process of moving to a K-20 Education governance model has been developing over the past three years. The presentation will provide the rationale for the change, the major shifts in governance structure and authority, and how this new Florida Board of Education fits into the structure. Board members will be briefed on tasks required of them in the first year. The presentation will lay the groundwork for moving forward on the work ahead.
