

FLORIDA BOARD OF EDUCATION
July 23-24, 2001

SUBJECT: Florida Board Members' Roles and Responsibilities

PROPOSED BOARD ACTION

This agenda item requires no action.

BACKGROUND INFORMATION

Presenters will lead a discussion of roles and responsibilities of individuals serving as Florida Board of Education members. Issues will include relating to the media, the public at large, Department of Education staff, school boards, community college boards and university boards. This discussion will provide an opportunity for members to clarify how the statutory responsibilities of the Florida Board of Education can be upheld in daily interactions.

The board will discuss a way to work with the staff of the Department of Education to obtain timely and accurate information and responses to requests for assistance.
