

**FLORIDA BOARD OF EDUCATION
July 23-24, 2001**

SUBJECT: Public Education in Florida

PROPOSED BOARD ACTION

For information purposes only: Receive overview of various sectors of public education in Florida.

BACKGROUND INFORMATION

The Florida Board of Education will govern the state's kindergarten-graduate school education system. The presenters will provide a full understanding of the sectors that make up the K-20 structure. The presenters will provide statistics, student profiles, demographic and geographic information and a synopsis of the focus areas in each sector. These include:

- K-12 education
 - Community Colleges
 - State Colleges and Universities
 - Workforce Education
-

Supporting Documentation Included: PowerPoint presentations

Presenters: Betty Coxe
David Armstrong
Dr. Carl Blackwell
Dr. Lanny Larson
