

FLORIDA BOARD OF EDUCATION

June 18, 2002

SUBJECT: Tenure Nominations

PROPOSED BOARD ACTION

Approve tenure and tenure as a condition of employment to the nominees listed on the attached pages.

BACKGROUND INFORMATION

Approval of these nominations was deferred at the May 14, 2002 meeting pending approval by the local Boards of Trustees. The local Boards have now approved their tenure nominations. The nominees include faculty members from FAMU, FIU, and USF who are being nominated for tenure. Nominees from FIU also include those for whom tenure is a condition of employment.

Rule 6C-5.940, the SUS rule on Tenure and Permanent Status, and provisions of the collective bargaining agreement with the United Faculty of Florida, require that university decisions on faculty tenure be brought forward to the Board for final approval.

The nominees have met the requirements and conditions contained in university rules, policies, and procedures for the granting of tenure and will continue to make a significant professional contribution to the university and the academic community.

Supporting Documentation Included: Tenure listing by university.
