

FLORIDA BOARD OF EDUCATION

June 18, 2002

SUBJECT: Highlights from the One Florida Accountability Commission Report

PROPOSED BOARD ACTION

For information only.

BACKGROUND INFORMATION

Governor Bush charged the One Florida Accountability Commission in February 2000 to do an independent review of both the Equity in Contracting and the Equity in Education Initiatives he announced in his One Florida plan. The Board will receive a briefing of the Commission's findings and recommendations if released by June 18, 2002.
