Based on the available evidence to support and/or refute the objections outlined in the School Board's "Written Reasons for Denial" and its "Arguments in Response to Notice of Appeal," the following is a summary of findings:

- 1) Charter School Review Committee recommended to the Board that the charter school application for Round Lake Elementary School be approved.
 - 2) There were no concerns regarding quality of application raised by either the Charter School Review Committee or the district school board
 - 3) There is nothing in statute to support "loss from district operating budget" or "uncertain funding" as GOOD CAUSE for a charter school denial.
-

RECOMMENDATIONS OF THE APPEAL COMMISION

Rendered this day of March 6th, 2003

- 4) It is recommended that the decision of the Lake County School Board to deny the Round Lake Elementary Charter School conversion be overturned as there is nothing in statute to support "loss from district operating budget" or "uncertain funding" as GOOD CAUSE for a charter school denial.
