<b>TOTAL</b>				<u>\$71,877,095</u>	<u>\$71,877,095</u>	<u>\$143,754,190</u>

1. This request includes state matching for site acquisition. The UCF Foundation may acquire the site prior to the effective date of the appropriation, using a portion of the private matching funds, and later deed the land to the university or state. Implementing Bill language will be proposed to enable the site acquisition costs to be considered part of the required private matching funds.
