

**FLORIDA BOARD OF EDUCATION**  
September 20-21, 2001

**SUBJECT:** Current Requirements for Planning and Accountability

---

**PROPOSED BOARD ACTION**

For information only.

**BACKGROUND INFORMATION**

Florida Statutes require a number of planning activities and accountability measures for education. A summary of these requirements and agency responses to them will be provided as background information. Agency strategic plans are to be developed in response to these requirements, which include goals, policies and performance measures. Existing strategic plans will be used as the basis for beginning the Board's strategic planning process.
