

FLORIDA BOARD OF EDUCATION
September 20-21, 2001

SUBJECT: Discussion of Strategic Planning

PROPOSED BOARD ACTION

Authorize a format and process for developing a strategic plan for K-20 education.

BACKGROUND INFORMATION

Secretary Horne and Mr. Winn will lead the board in a discussion of a possible strategic planning process and product. Board members will review agency goals, objectives and measures in light of requirements of authorizing legislation and tentatively identify areas to carry forward to a new K-20 plan. Subjects will include:

- Process and Timeline
- Accountability Requirements of Authorizing Legislation
- Key Goals and Performance Measures for Each Delivery System
- Which Goals and Performance Measures should be carried forward?
- Where do we stand on Current Performance Measures?
- Next Steps

Supporting Documentation Included: Summary of goals and measures for Agency Strategic Plans and Long Range Program Plans.

Facilitators/Presenters: Secretary Jim Horne and John Winn
