Florida Board of Education

Comprehensive K-20 Accountability System

Section 229.007(2), Florida Statutes - -

Performance Based Funding

The Florida Board of Education shall ... develop proposals for performance-based funding, using performance measures established by the Legislature. The proposals must provide that **at least 10 percent of the state funds appropriated for the K-20 education system are conditional upon meeting or exceeding established performance standards.**

By December 1, 2002, State Universities

By December 1, 2003, Public Schools and Work Force

By December 1, 2004, Community Colleges

By December 1, 2005, all other programs in DOE that receive State funds
