Title V, PART A
PROJECT APPLICATION

Florida 2007-2008 Application for Selected Federal Programs

General Assurances: The district has on file with the DOE a single set of assurances, that provides that the district will:

General Assurances

- Administer programs in accordance with all applicable statutes, regulations, program plans, and this application.
- Assure that control of funds and title to property acquired with program funds will be in the district.
- Apply the proper methods in administering the funds and property to the extent required by the authorizing statutes.
- Adopt and use proper methods of administering each such program, including the enforcement of any obligations imposed by law and other recipients responsible for carrying out each program; and the correction of deficiencies in program operations that are identified through audits, monitoring, or evaluation.
- Cooperate in carrying out evaluations conducted by or for the DOE, the Secretary of the U.S. Department of Education, or other Federal officials.
- Use such procedures as will ensure proper disbursement of, and accounting for, Federal funds under this project.
- Submit reports to DOE that are required by the SEA and the U.S. Department of Education.
- Maintain such records, provide such information, and afford such access to the records as the SEA or USED may reasonably require.
- Afford opportunity for public comment on application and consider such comment prior to submission. [NCLB 9306(a)]

No Child Left Behind Assurances (Applicable to All Funded Programs)

By my signature on this application, I hereby certify that the District will comply with the following requirements of the No Child Left Behind Act of 2001:

- The LEA assures that, under Sec. 9528, it will comply with a request by a military recruiter or an institution of higher education for secondary students' names, addresses, and telephone numbers, unless a parent has "opted out" of providing such information.
- The LEA assures that, under Sec. 9528, it will provide military recruiters the same access to secondary school students as it generally provides to postsecondary institutions or prospective employers.

2007-2008 Technical Review Checklist
Title V, PART A
PROJECT APPLICATION

- The LEA hereby certifies that, under Sec. 9524, it has no policy that prevents, or otherwise denies participation in, constitutionally protected prayer in public schools. The LEA further certifies that "[a]mong other things, students may read their Bibles or other scriptures, say grace before meals, and pray or study religious materials with fellow students during recess, the lunch hour, or other non-instructional time to the same extent that they may engage in nonreligious activities." The LEA certifies that its public schools will not be hostile to the religious rights of their students and their families.
- The LEA hereby assures that, under Sec. 9532, if the State of Florida identifies any school within the LEA as "persistently dangerous," it will offer students attending that school, as well as students who are victims of a violent criminal offense while on school property, the opportunity to transfer to a safe school.
- The LEA hereby certifies that, under Sec. 4141, it will expel from school for a period of not less than one year a student who is determined to have brought a weapon to school.
- The LEA hereby certifies that, under Sec. 4141, it has a policy requiring referral to the criminal justice or juvenile delinquency system of any student who brings a firearm to a school under the control and supervision of the LEA.

Florida 2007-2008 Application for Selected Federal Programs

Program Specific Assurances -

Title V Part A

By my signature on this application, I hereby certify that Palm Beach District will comply with ALL the following requirements:

- The LEA assures that the innovative programs described in this application are tied to promoting challenging academic achievement standards; used to improve student academic achievement; and are a part of an overall education reform strategy [Section 5131(b)(1-3)].
- The LEA assures that, after consultation with appropriate private school officials, the LEA shall provide for the benefit of the children secular, neutral, and non-ideological services, materials and equipment, including participation of teachers (and other personnel serving such children) in training programs [Section 5142(a)(1)(A-B)].
- The LEA will involve, through systematic consultation, the parents of children attending the school district's elementary and secondary schools, teachers and administrators of these schools, and other groups involved in the planning, design, and implementation (such as librarians, school counselors, and other pupil services personnel) as may be considered appropriate [Section 5133(b)(7)].
- The LEA assures that children enrolled in private, nonprofit schools, and the educational personnel of such schools will be provided the opportunity for equitable participation in the activities and services funded by this application and the schools of these children have been so notified [Section 5142(a)].
- The LEA assures that expenditures for programs shall be equal (consistent with the number of children to be served) to expenditures for programs under Title V, Part A for children enrolled in the public schools of the local education agency. [Section 5142(b)(1-2)].

2007-2008 Technical Review Checklist
Title V, PART A
PROJECT APPLICATION

- The LEA assures that the provision of services from these programs shall be provided by employees of a public agency and is independent of private schools and of any religious organizations, and the funds provided under this title shall not be commingled with state or local funds [Section 5142(c)(2)].
- The control of funds provided under this part, and title to materials, equipment, and property repaired, remodeled, or constructed with such funds, shall be in a public agency for the uses and purposes provided in this part, and a public agency shall administer such funds and property [Section 5142(c)(1)].
- Funds received will be used to supplement and, to the extent practical, increase the level of funds that would be made available from nonfederal sources; and not supplant, any other federal, state, or local education funds. [Section 5144].
- The LEA assures that accurate records will be kept and provide such information to the state, as may be reasonably required for fiscal audit and program evaluation and shall demonstrate compliance with all state, federal, and program requirements [Section 5133(b)(6)].
- The LEA assures that programs will be evaluated annually. The evaluation will be used to make decisions about appropriate changes in programs for the subsequent year. The evaluation will describe how program(s) affected student academic achievement and will include, at a minimum, information and data on the use of funds, the types of services furnished, and the students served; and the evaluation will be submitted to the state annually [Section 5133(b)(8)(A-D)].
- The LEA assures that a needs assessment be conducted and that funds be allocated among the innovative assistance program areas based on those identified needs. [Section 5133(b)(1) and (2)].
- The LEA ensures equitable access to, and participation, in federally assisted program(s) included in this application for students, teachers, and other program beneficiaries with special needs. Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P.L.) 103-382).
