- Underage Drinking Task Force
 - Overall focus
 - DOE initiatives
- Florida Youth Prevention Delegation (FYPD)
 - Expansion – 1 youth per district (1 alternate)
 - Connection with coalition/SDFS Coordinator
 - Next Magazine Ad / Fish and Game Ad
 - May 4-6 Training – Camp Blanding

Bullying Prevention Priority

- Update on Florida's 2nd Annual Bullying Prevention Conference
- Anti-Bullying Bill
 - DOE will have a model bullying prevention policy
 - District must create/update their policies by December
 - Bullying code has been added to SESIR to report bullying (all levels) to FDOE

SESIR Training Update

- Train-the-Trainer Conferences 2007
 - Location, participants
 - Agenda
- Demonstration of SESIR Web-based Training

Train-the-Trainer Conferences

Overview

When: August in Tallahassee and South-Central FL

Who: SDFS Coordinators or SESIR/Discipline Specialists

- First hand experience using the new, interactive web-based SESIR instruction with practice scenarios
- Practice with the new database for tracking the schools' administrator's participation in SESIR web-based module

Train-the-Trainer Overview (cont.)

- System approaches to improving SESIR data accuracy
- Panel discussion on SESIR/discipline data review processes used in the districts
- Using SESIR data reports for needs assessment to get program development grants and to improve reporting to school boards and parent advisory councils
- Training materials for district's training presentations

Contact Louise Rill lrill@mailier.fsu.edu if you have a data review process you would like to present to

Need Information

- Please complete form specifying any private and public grants you have received where you used SESIR and/or discipline data to identify needs.
