

Title V, Part A- Innovative Programs

**2007-2008 Technical Assistance
Meeting Presentation**
April 23-25, 2007

Title V, Part A- Innovative Programs

Purposes

- To support local education reform efforts that are consistent with and support statewide education reform efforts.
- To provide funding to enable state educational agencies and local educational agencies to implement promising educational reform programs and school improvement programs based on scientifically based research.

Purposes Continued

- To provide a continuing source of innovation and educational improvement, including support programs to provide library services and instructional and media materials.
- To meet the educational needs of all students, including at-risk youth.
- To develop and implement education programs to improve school, student and teacher performance, including professional development activities and class size reduction programs.

27 Funding Options for Title V

1. Programs to **recruit, train, and hire highly qualified teachers to reduce class size**, especially in the early grades, and professional development activities carried out in accordance with Title II.
2. **Technology activities related to the implementation of school-based reform efforts**, including professional development to assist teachers and other school personnel(including school library media personnel) regarding how to use technology effectively in the classrooms and the school library media centers involved.
3. Programs for the **development of acquisition and use of instructional and educational materials**, including library services and materials, etc.
4. Promising education **reform projects**, including magnet schools.
5. Programs to **improve the academic achievement of educationally disadvantaged** elementary school and secondary school students, including activities to prevent students from dropping out of school.
6. Programs to improve the **literacy skills of adults, especially the parents of children served** by the local educational agency, including adult education and family literacy programs.

Funding Options Continued

7. Programs to provide for the educational needs of **gifted and talented** children.
8. The planning, design, and initial implementation of **charter schools** as described in part B.
9. **School improvement** programs or activities under sections 1116 and 1117.
10. **Community service programs** that use qualified school personnel to train and mobilize young people to measurably strengthen their communities through nonviolence, responsibility, compassion, respect, and moral courage.
11. Activities to promote **consumer, economic, and personal finance education**, such as disseminating information on and encouraging use of the best practices for teaching the basic principles of economics and promoting the concept of achieving financial literacy through the teaching of personal financial management skills (including the basic principles involved with earning, spending, saving, and investing).
12. Activities to promote, implement, or expand public **school choice**.

Funding Options Continued

13. Programs to **hire and support school nurses**.
14. Expansion and improvement of **school-based mental health services**, including early identification of drug use and violence, assessment, and direct individual or group counseling services provided to students, parents, and school personnel by qualified school-based mental health services personnel.
15. **Alternative educational** programs for those students who have been expelled or suspended from their regular educational setting, including programs to assist students to reenter the regular educational setting upon return from treatment or alternative educational programs.
16. Programs to **establish or enhance pre-kindergarten** programs for children.
17. **Academic intervention** programs that are operated jointly with community-based organizations and that support academic enrichment, and counseling programs conducted during the school day (including during extended school day or extended school year programs), for students most at risk of not meeting challenging State academic achievement standards or not completing secondary school.
18. Programs for cardiopulmonary resuscitation (**CPR**) training in schools.
19. Programs to establish **smaller learning communities**.
20. Activities that encourage and expand improvements throughout the area served by the local educational agency that are designed to **advance student academic achievement**.

Funding Options Continued

21. Initiatives to generate, maintain, and **strengthen parental and community involvement.**
22. Programs and activities that expand learning opportunities through **best-practice models** designed to improve classroom learning and teaching.
23. Programs to provide **same-gender schools and classrooms** (consistent with applicable law).
24. **Service learning activities.**
25. **School safety programs**, including programs to implement the policy described in section 9507 and which may include payment of reasonable transportation costs and tuition costs for such students.
26. Programs that employ **research-based cognitive and perceptual development** approaches and rely on a diagnostic-prescriptive model to improve students' learning of academic content at the preschool, elementary, and secondary levels.
27. **Supplemental educational services**, as defined in section 1116(e), Academic Assessments.

DRAFT 4/16/07

Local Roles

- Carry out programs under one or more of the 27 authorized areas.
- Local Educational Agencies have flexibility to select areas to be served and use of funds.

Allocation of Funds

- At least 85% of total funds must be allocated to local educational agencies.
- Funds are based on enrollment of Public and Non-Public schools and Free and Reduced Lunch Percentages.

Questions

- Any questions?
- Thank you for your participation!!!
