

# Educator Preparation Institutes

# Educator Preparation Institutes

- Institutional Credit designation has been provided for modules and segments.
- EPI Information has been put into SCNS.
- Modules (courses) will be included on transcripts (EPI 0xxx) and will be transportable between participating community colleges.

# EPI Performance Accountability

- Information on students enrolling in EPIs to be included as part of standard submissions of the Student Data Base (SDB)
- Information to include demographics, courses, program of study, and completions
- Elements necessary to calculate accountability measures to be part of the SDB and/or the FETPIP follow-up process
- Possible additional follow-up surveys conducted by DCCWE and individual institutions.

# Requirements for Continued Approval

- Annual Performance Evaluations that measure program effectiveness in the following areas:
  - Pass rates on teacher certification exams
  - Employment rates
  - Longitudinal retention rates
  - Employer satisfaction surveys

# Volunteers Needed

- DCCWE is forming a writing team to develop a standardized employer satisfaction survey.
- Please volunteer if interested

# EPI Performance Accountability Contacts

- Institutional Report Coordinators
