EPI Accountability

- Each (EPI) shall submit to (DOE) annual performance evaluations that measure the effectiveness of the programs, including
 - ✓ Pass rates of participants on all examinations required for teacher certification,
 - ✓ Employment rates,
 - ✓ Longitudinal retention rates, and
 - ✓ Employer satisfaction surveys. These employer satisfaction surveys must be designed to measure the sufficient preparation of the educator to enter the classroom.
 - These evaluations shall be used by (DOE) for purposes of continued approval of an educator preparation institute's alternative certification program.
-

Employer Satisfaction Survey

- Used by school district employers to evaluate EPI participants
 - Provides consistency of data collection
 - DRAFT Survey targeted for development by January 2006 by committee of EPI representatives

 - **Resource information:**
 - EPI model proposal

 - School District Survey
