MEMORANDUM 30-2023-17

TO: Florida College System Reports Coordinators

FROM: Kimberly Pippin

DATE: March 20, 2023

SUBJECT: 2023 Spring Anticipated Degree Graduates

DUE DATE: Submission Window: Monday, March 20, 2023, to Friday, April 21, 2023

The Florida College System (FCS) and the Independent Colleges and Universities of Florida (ICUF) have worked together to establish a cooperative, reciprocal relationship in order to provide additional transfer options for our degree transfer students. In an effort to inform potential degree graduates of this additional option of continuing their postsecondary education, ICUF, the State University System and the FCS have requested a list of anticipated Associate in Science (AS), Associate in Applied Science (AAS) and Associate in Arts (AA) degree graduates for the 2023 spring term.

We suggest that students defined as anticipated graduates be those who have earned no less than 75 percent of the total hours toward degree completion as of the end of the 2022-23 fall term. We also recommend the group include any student who is expected to graduate at the end of the spring term.

This data submission is optional. However, it is in the best interest of these students if all FCS institutions participate in order to provide maximum opportunity for all anticipated graduates to continue their postsecondary education in a Florida higher learning institution of their choice. In preparation for your data submission, please review the attached edit criteria and record format. Return the file through TIBCO® using the specified filename:

“CCxx.ADG.ICUFLIST.T3E2023.PROD.txt” (where xx is your college number).

Please note, we are requesting this data only if you have previously provided public notice to the parents of students and to the students who are 18 or older designating the requested data as directory information and have given the parents and students the right to refuse disclosure. If a parent or older student has refused disclosure, do not include that student’s data in your response.

Please submit your file by the close of business on April 21, 2023. Notify [Ayusha Mahajan](mailto:ayusha.mahajan@fldoe.org) via email, at ayusha.mahajan@fldoe.org, if you choose to accept/decline submitting a data file.

2023 Spring Anticipated Degree Graduates
