Florida schools are required to use the Florida Course Code Directory (CCD) when determining course offerings and all official student records must list the course code numbers and titles from the CCD. The CCD is available at www.fldoe.org/policy/articulation/CCD.

Upload documentation to support Provider compliance: list course code numbers and title of courses to be offered.

Disclosure Requirements

In accordance with Section 1003.499(3)(a)7., F.S., the provider shall publish the following in a prominent location on its website available to the general public. All contracts for the provision of a Florida Approved Course under Section 1003.499, F.S., shall require the provider to comply with the disclosure requirements herein.

- Certification status and physical location (state of residence) of all administrative and instructional personnel.
- Hours and times of availability of instructional personnel.
- Average student-teacher ratios are to be calculated for each course. Teacher load (the total number of students assigned to a teacher) must also be provided. Student completion

and successful completion rates. Student completion rate calculations are to include all students who are enrolled in the course for more than fourteen (14) calendar days.

- Student, educator, and course performance accountability outcomes. Student and course performance accountability outcomes are to include aggregate student assessment results on course-related statewide standardized assessments or other applicable standardized assessments, if any. Educator performance accountability outcomes are to include information regarding the percent of an educator’s evaluation that includes student performance results. All disclosures of student performance data must comply with Sections 1002.22 and 1002.221, F.S., by avoiding the disclosure of personally identifiable student information. Assessment data for less than ten (10) students must be redacted to prevent disclosure of identifiable student information.

Provide the link to where this required disclosure information is prominently displayed on your website:

Parent and Student Information Requirements

Section 1003.499(3)(a)4., F.S., requires the Provider to provide to parents and students the following information posted and accessible online for each course.

- How to contact the instructor via phone, email, or online messaging tools.
- How to contact technical support via phone, email, or online messaging tools.
- How to contact the administrative office or an individual offering online courses, via telephone, email, or online messaging tools.
- Any requirement for regular contact with the instructor for the course and clear expectations for meeting the requirement.

Upload documentation to support Provider compliance: provide one document that addresses the bullets listed above.

Part 2 – Verification of Provider Compliance Requirements

Provider Requirements

1. The Provider is nonsectarian and complies with anti-discrimination provisions regarding courses, enrollment policies, employment practices, and operations as specified in Sections 1003.499(3)(a)1., and 1000.05, Florida Statutes, respectively.

Documentation to support Provider compliance: provide direct link to specific nonsectarian and anti-discrimination policies for your courses, enrollment policies, employment practices and operations posted on your disclosure website identified in Part 1 of the application.

Curriculum and Instruction

2. The Provider ensures courses meet the International Association for K-12 Online Learning (iNACOL) Standards for K-12 Online Learning and the Southern Regional Education Board.
 - A completed checklist for the iNACOL National Standards of Quality for Online Courses for each subject area of course(s) the Provider proposes to offer. Evidence to demonstrate the course meets iNACOL standards must be included for each section of standards included in the checklist. File names for iNACOL documents must include Florida course codes and titles (e.g., iNACOL.1200310.Algebra1). The checklist can be downloaded at: <https://www.inacol.org/resource/inacol-national-standards-for-quality-online-courses-v2/>

Upload documentation to support Provider compliance: the plan should include the checklist requested above.

3. The Provider ensures instructional content and service that align with and measure student attainment of student proficiency in Florida’s currently adopted state standards.
 - A completed Florida online course alignment document that includes all of the standards and benchmarks listed for the course on the following website: <http://www.cpalms.org/> or www.fldoe.org/academics/career-adult-edu/career-tech-edu/curriculum-frameworks/ which is in accordance with Rule 6A-1.09412, F.A.C. and is incorporated by reference herein.
 - For each standard or benchmark listed, evidence of alignment must specify where the standard or benchmark is taught in the course, how it is taught and how mastery is assessed. File names for alignment documents must include Florida course codes and course titles as specified in the most current CCD located at: <http://www.fldoe.org/policy/articulation/CCD> (e.g., 1200310.Algebra1) which is incorporated into Rule 6A-1.09441, F.A.C. and is incorporated by reference herein.
 - For Advanced Placement (AP) courses, in lieu of course alignment documents, provide evidence the course has been approved by the College Board and is included in the most current AP Ledger.
 - **Upload all course documents by subject and within subject, by grade level.**

Upload documentation to support Provider compliance for each course the Provider proposes to offer.

Relevant Job Experience (Florida educational experience; online educational experience; other related educational experience):	

Upon request, the Provider will provide access to the Department to allow a virtual WALK-THROUGH of a course during review phase of application process.

Provide a link or information on how to access your virtual course walk-through:

4. The Provider has mechanisms in place that determine and ensure that a student has satisfied requirements for successful course completion.
 - Use of formative and interim assessments to provide feedback to students and teachers, to modify curriculum and monitor student progress. Include documentation to show assessment tools used to inform and guide instruction are valid (measure what students are expected to know) and reliable (consistent for students at the same level of knowledge and understanding).
 - Curriculum development to include activities and assessments based on principles that gives all individuals equal opportunities to learn, supporting flexibility in representation, expression, and engagement.
 - Use of electronic and information technology accessible for students with disabilities.
 - Use of strategies to ensure comprehensible instruction for students with limited English proficiency.

Upload documentation to support Provider compliance: provide one document that addresses the bullets listed above.

Student Performance and Program Accountability

5. The Provider possesses prior successful experience offering online courses to elementary, middle, or high school students as demonstrated by quantified student learning gains or student growth in each subject area and grade level provided for consideration as an instructional program option.

Documentation to support Provider compliance: Quantified learning gains or student growth in each subject area and grade level, as follows:

1. At least two years of cohort data from a state-administered summative assessment approved to meet federal; (e.g., ESSA) accountability requirements.

For course subjects not addressed by state assessments:

2. At least two years of cohort data from a nationally standardized summative achievement test.

At minimum, Provider must provide data from category 1 or 2 in language arts/reading and mathematics. The following evidence of learning gains must be submitted for all other subject areas and grade levels:

3. At least two years of cohort data from teacher developed End-of-Course assessments or semester assessments; or
4. At least two years of cohort data from pre- and post-assessments delivered for a course, which assessment is not covered under another category.

Cohort data shall include: the number of students enrolled, the number of students tested, the percentage of students tested, and performance results over the cohort period specified in the categories above. Student performance data are to be aggregated by course. The cohort period shall comprise the most recent data available. The cohort data shall include all students in the course under review. Any definitions or materials needed to comprehend the assessment results must be provided.

Reporting Requirements

6. The provider has the capacity to meet all reporting requirements to comply with state funding, information and accountability requirements in Florida Statutes.
 - description of knowledge and expertise related to Florida’s data reporting requirements;
 - ability to comply with Florida’s data reporting requirements – specifically address requirements delineated at: <http://www.fldoe.org/accountability/data-sys/database-manuals-updates/2019-20-student-info-system/index.stml> – pursuant to State Board of Education Rule 6A-1.0014, F.A.C.

Upload documentation to support Provider compliance: provide one document that addresses the bullets listed above.

7. The Provider's data management systems ensure all student information remains confidential, as required by the Family Educational Rights and Privacy Act (FERPA) [Section 1002.22 F.S.].

Upload documentation to support Provider compliance: description of measures taken to ensure the confidentiality and security of all student data to include collecting, storing and transmitting data.

Supporting Documentation

1. Provide at least three references with contact information from those knowledgeable about the pedagogical and technical strengths of your courses.
2. Provide a summary of stakeholder satisfaction survey results (students and teachers).
