

**STATE BOARD OF EDUCATION**  
**Action Item**  
October 18, 2017

**SUBJECT:** Approval of District Turnaround Option Plans for Schools Implementing Year 1 in 2017-18

---

**PROPOSED BOARD ACTION**

Consideration of Year 1 Turnaround Option Plans for Approval

**AUTHORITY FOR STATE BOARD ACTION**

Section 1008.33, Florida Statutes

**EXECUTIVE SUMMARY**

Florida's school improvement system, also known as Differentiated Accountability (DA), requires schools that earn a D or F grade complete a process for improved student performance. Any school earning a D or F grade immediately enters the DA system and is provided assistance of escalating intensity to schools not meeting accountability standards by the DA staff.

This action item is the turnaround option plans for 88 schools in 27 districts in their first year of implementation (2017-18). These schools earned at least two consecutive grades of D or a grade F and must immediately implement intervention and support strategies prescribed in s. 1088.33(3)(c), F.S.

Upon approval, the district will implement its turnaround option plan, all of which selected a district-managed turnaround, for two school years unless the school improves to a C grade or better in 2017-18. At the end of the two-year implementation period, those districts whose schools have not improved to a C grade or better, will present a new turnaround option plan to the state board for consideration.
