

School District of Manatee County

Presentation to the State Board of Education
Dr. Diana Greene, Superintendent

W.D. Sugg Middle School Historical FSA Data

W. D. Sugg Middle School

▪ 2017-18 Initiatives

- School Improvement Grant Cohort 4 (SIG4) implemented August 1, 2017.

- Memorandum of Understanding for SIG4 providing stipends for teachers, paras, and administrators who implement the grant expectations with fidelity.

- Contract with outside entity (Learning-Focused Solutions, Inc.) to provide:
 - Professional development, coaching support for teachers, and materials focusing on developing a common instructional framework aligned with standards.
 - Monthly administrator support and mentoring.
 - Targeted reading and writing instruction to improve student comprehension across all grades and content areas.

- Quarterly full-day instructional planning during the school day facilitated by School Improvement Specialists.

- Quarterly district instructional reviews to determine progress towards achieving goals outlined in SIG4 and School Improvement Plan (SIP).

- Quarterly State of the School Reports presented by principals to Senior Leadership to analyze data, identify progress, and determine necessary support.

- Quarterly Saturday enrichment opportunities for students culminating in field trips.

- Monthly Principal mentoring by Deputy Superintendent.

W. D. Sugg Middle School
