A one-character code to describe the primary means (50 percent or more) for monitoring and providing feedback on implementation of the professional learning.

| Code | Definition/Example |
|------|--|
| M | Structured Coaching/Mentoring by coaches, mentors, knowledgeable others not part of the district's personnel evaluation process (monitoring/feedback on the learning may include direct observation, conferencing, oral reflection and/or lesson or practice demonstration/modeling) |
| N | Independent Learning/Action Research related to job responsibilities, specific professional learning goals or deliberate practice growth targets (should include evidence of monitoring job-embedded implementation of targeted learning) |
| O | Collaborative Planning - Monitoring, and feedback related to targeted professional learning, includes Learning Community or other properly implemented team learning practices focused on job-embedded learning supported by colleagues |
| P | Participant Product related to training or learning process (may include lesson plans, written reflection on lessons learned, audio/video exemplars, case study findings, modeling improved practice, samples of resulting student work, and/or collegial training resources) |
| Q | Lesson Study group participation (monitoring and feedback focused on both the research-based Lesson Study process and impact of the process on lessons implemented) |
| R | Electronic - Interactive with on-going monitoring and feedback via online or face-to-face facilitation on targeted learning |
| S | Electronic - Non-interactive with learning monitored thru online comprehension checks and/or participant's summative reports or modeling to peers or supervisors |
| T | Evaluation of Practice Indicators – The practice portion of district personnel evaluation processes for monitoring and providing feedback on evaluation indicators/components/domains are employed to monitor and provide feedback on implementation of the professional learning. (Note: this code may be used when the professional learning target(s) are aligned to specific personnel evaluation system indicators/components/and/or domains) |
