- The district and the EO shall ensure the **incoming principal and school leadership team have a successful record in leading turnaround schools**
- **The district and the EO shall ensure that teachers rated as Unsatisfactory and Needs Improvement based on the three-year aggregated state VAM rating and on the district's approved evaluation system shall not be hired**
- The district shall enter into a contract with an EO **to operate the school following established district policies and procedures**

Turnaround Plan Timeline

State Board Consideration

The State Board shall consider, at a minimum, the following factors:

- The strength of the turnaround plan
- Whether the plan is sufficiently tailored to address the causes of low performance
- The prior record of the proposed school leadership team in improving low performing schools
- The school district's history of success with this school and other low performing schools in the district
- The extent to which the recommendations of the RED and the Department have been incorporated into the district's turnaround plan

State Board Approval

- The SBE shall approve a Turnaround Plan when it is found to create the conditions to improve the school's grade to a "C" or higher during the two-year implementation period
- The SBE is authorized to approve, conditionally approve or deny the plan
