SUCCESS IS OUR STANDARD
STANDARDS LISTENING TOUR 2019

#SUCCESSISOURSTANDARD  FLDOE.ORG/STANDARDSREVIEW
By January 1, 2020, the Commissioner of Education shall comprehensively review Florida’s Kindergarten through grade twelve academic standards and provide recommended revisions to the governor.

The recommendations shall:

A. Articulate how Florida will eliminate Common Core (Florida Standards) and ensure we return to the basics of reading, writing and arithmetic;

B. Provide a roadmap to make Florida's standards number one in the nation;

C. Reflect the Commissioner's consultation with relevant stakeholders to include parents and teachers;
WITHOUT SETTING A HIGH BAR, HOW DO YOU MEASURE SUCCESS?
Sometimes confused with “standards,” curriculum is the means or the instructional material by which the standards are taught. Instruction is the teacher’s delivery and strategies used to implement the curriculum and standards. Assessments provide feedback to teachers, parents and students on a student’s level of mastery of the standards.
