DOE INFORMATION DATABASE REQUIREMENTS VOLUME I:
AUTOMATED STUDENT INFORMATION SYSTEM
AUTOMATED STUDENT DATA ELEMENTS

Year: 2018-19

Data Element Number: **187011**

Data Element Name: **WDIS Student Instructional Hours**

WDIS Student Instructional Hours is a whole number, expressed in hours, assuming no decimal places and right justified with leading zeros.

WDIS Student Instructional Hours may not be reported in the Workforce Development Information System (WDIS) for students enrolled in courses or programs for which the direct instructional costs have been fully funded by an external agency. Section 1011.80(5)(d), Florida Statutes:

“State funding and student fees for workforce education instruction shall be established as follows: For a public educational institution that has been fully funded by an external agency for direct instructional costs of any course or program, the FTE generated shall not be reported for state funding.”

For Adult General Education (Cost Reporting Codes ranging from 401 – 409*):

WDIS Student Instructional Hours for adult general education students must be reported in accordance with the requirements in Rule 6A-10.0381, Florida Administrative Code. The text of the rule can be accessed at the following web link: <https://www.flrules.org/>.

A technical assistance paper and rule summary are posted here (See “Instructional Hours Reporting for Adult Education.”): <http://www.fldoe.org/academics/career-adult-edu/career-adult-edu-technical-assistance-.stml>

For Career Certificate and Applied Technology Diploma (Cost Reporting Codes ranging from 351 – 369*):
For career certificate and applied technology diploma students, the WDIS Instructional hours shall be defined as the number of scheduled course hours from a student’s first day of enrollment in a course and to his/her last scheduled day of enrollment in the course. If the student’s enrollment in a course crosses reporting surveys, the instructional hours shall be pro-rated across the survey.

WDIS Instructional hours may not exceed the contact hours for which a student has paid/deferred tuition or received a waiver for the payment of tuition; the only exception is for instructional hours of students who withdrew after the drop/add period. If a student withdraws from a course prior to the end of the reporting survey (but after a drop/add period), the instructional hours may still be reported through the end of the course for that survey. For cases in which a student transfers to a different section in the same course during the survey, the instructional hours for the first section must be reported based on the hours from the date of enrollment to the date of transfer.

Code	Definition/Example
-------------	---------------------------

Cost Reporting Codes ranging from 351 – 369*

0100	The student enrolls in a 150 hour course and is scheduled to attend 100 hours in the fall survey and 50 hours in the spring survey. The student remains in this course to the end of the second survey. For this student, WDIS instructional hours are 100 hours in the fall survey and 50 hours in the spring survey.
------	--

0150	The student enrolls in a 150 hour course and is scheduled to attend 150 hours within the survey. The student remains in this course to the end of the survey. For this student, WDIS instructional hours are 150.
------	---

0150	The student enrolls in a 150 hour course and is scheduled to attend 100 hours in the fall survey and 50 hours in the spring survey. The student remains in this course to the end of the second survey. For this student, WDIS instructional hours are 100 hours in the fall survey and 50 hours in the spring survey.
------	--

For Continuing Workforce Education and Apprenticeship (Cost Reporting Codes ranging from 341 – 349, 371 and 372*):
For each Continuing Workforce Education and apprenticeship student, the WDIS Student Instructional Hours shall be defined as the number of scheduled hours from that student’s first day of enrollment in that program and course through the last scheduled day for that program and course in the survey regardless of attendance.

Data Element Number: **187011**

Data Element Name: **WDIS Student Instructional Hours**

The following Continuing Workforce Education and apprenticeship examples apply in district XX where there are 18 weeks in a semester. The WDIS class in question is scheduled to meet for one hour twice each week for a WDIS Class Length of 36 scheduled hours.

Reporting Codes ranging from 341 – 349, 371 and 372*

0032 The student enrolls on the fifth class day of the course (missing the first four classes). WDIS Student Instructional Hours are calculated from the fifth day of class through the last scheduled class day in the survey. For this student, WDIS Student Instructional Hours are 32.

0036 The student enrolls on the first day of the course. WDIS Student Instructional Hours are calculated from the first class day of the course through the last scheduled class day in the survey. For this student, WDIS Student Instructional Hours are 36.

Student or other repeatedly showing a photograph, poster or other visual image of nudity, lewd or sexual activity. Student or other pressuring another student for sexual favors by threatening to prevent him/her from participating in a school activity.	Students engaging in consensual sex. (Refer to <i>Sexual Offense (Other)</i> code as a possible SESIR code.) Student unintentionally brushing up against another in the hallway. A single incident of a kiss that may be unwanted.	In some cases, severe incidents of sexual harassment, which include violent physical contact, may be considered a <i>Battery</i> , or <i>Sexual Battery</i> , if there is physical penetration. Unwanted kissing becomes sufficiently pervasive to report when an individual kisses several others or when an individual kisses another several times.	
LEVEL III	SXO	SEXUAL OFFENSES (Other)*	1) Other sexual contact, including intercourse, without force or threat of force. 2) Subjecting an individual to lewd sexual gestures, comments, sexual activity, or exposing private body parts in a lewd manner.	Student or other participating in sexual activity in front of another student. Student or other intentionally exposing genitals. Two students engaging in sexual activity in janitor's closet. Student or other soliciting or encouraging a person to commit a sexual act. Student or other touching the buttocks of another in a lewd, lascivious manner. Student or other making obscene remarks (conduct, which by community standards, is deemed to corrupt public morals by its indecency and/or lewdness).	Students kissing consensually. Student swearing. A kindergarten child relieving himself publicly. A first grade student hugging another. Student inadvertently touching breasts or buttocks of another.	1. Sexual activity between students should be reported to law enforcement immediately so investigation can be conducted regarding illegal conduct. 2. Consideration should be given to developmentally age-appropriate behaviors in coding sexual offenses for students. Young children and students with exceptionalities may expose themselves without conscious sexual intent. 3. Consult school district student services or psychologist for assessing acting out sexual behaviors that might be indicators of abuse, and use the findings to help determine whether to report the incident as a SESIR incident. Obtain input when the principal is unable to determine if the behavior involving young children is of a sexual nature beyond developmentally appropriate age expectation, when the incident is serious enough to require further investigation, or where students in special education are involved.	
LEVEL IV	TBC	TOBACCO**	(cigarettes or other forms of tobacco) - The possession, use, distribution, or sale of tobacco or nicotine products on school grounds, at school-sponsored events, or on school transportation by any person under the age of 18.	A student under 18 possessing and/or smoking cigarettes. A student using smokeless tobacco.	An 18-year-old student smoking a cigar on campus.	<i>Although district codes of student conduct may make it against the <u>district</u> code for students age 18 and older to be smoking on school campus, it still is not in violation of the state statute and should <u>not</u> be reported in SESIR.</i> Tobacco incidents should be coded as "Reported to Law Enforcement" any time a civil citation is written, whether it is by a law enforcement officer or the "designee." (See Section 569.12, Florida Statutes.)	6/1/14: Definition - added: "or nicotine".

Incident Type Level	Incident Type	Definition	Examples	Non-Examples:	Note	Related Element	Change Date & Description	
LEVEL III	TRE	THREAT/INTIMIDATION *	(instilling fear in others) - A threat to cause physical harm to another person with or without the use of a weapon that includes all of the following elements: (1) intent--an intention that the threat is heard or seen by the person who is the object of the threat; (2) fear--a reasonable fear or apprehension by the person who is the object of the threat that the threat could be carried out; and (3) capability--the ability of the offender to actually carry out the threat directly or by a weapon or other instrument that can easily be obtained.	Student or other willfully and repeatedly following another or stalking with intent to cause the person to fear for his/her safety. Student or other who willfully and repeatedly uses email or text message to cause another to fear for his/her safety or cause substantial emotional distress (cyber stalking). Student or other making repeated malicious, credible threats in person or by telephone causing the person to fear for his/her safety. Student telling another he/she could kill or knows people who could kill him/her. Student or other violating a restraining order.	Student or other engaging in mutual combat with another (refer to <i>Battery</i> or <i>Fighting</i> code as possible SESIR code). Student or other actually using force or violence against another (refer to <i>Battery</i> or <i>Fighting</i> code as possible SESIR code). Student waving to another student in the hallway, waiting after class to talk to him/her and calling to ask him/her out.	Any threat of violence towards the school, targeted groups, or individuals that does not contain the three elements of intent, fear, and capability , but does result in school disciplinary action and a police investigation, should be coded as <i>Disruption on Campus</i> (DOC) if it causes a significant campus disruption. A person following another without the intent or result of putting the person in fear of death or bodily injury is a less serious behavior than a person who willfully, maliciously and repeatedly follows, harasses and makes a credible threat with intent to place that person in reasonable fear of death or bodily injury (aggravated stalking). (See 784.048(3) Florida Statutes.)		
LEVEL III	TRS	TRESPASSING *	(illegal entry onto campus) - To enter or remain on school grounds/campus, school transportation, or at a school-sponsored event/off campus without authorization or invitation and with no lawful purpose for entry.	Any unauthorized person entering the campus. Any unauthorized person remaining on property after being directed to leave by the chief administrator or designee.	Parent entering the building to pick up his/her child without first getting clearance through the office. Person searching for a phone at a school facility after his/her car has broken down.			
	UBL	UNSUBSTANTIATED BULLYING	After a complete investigation and follow up of a reported bullying incident, the investigator determines that there is not enough evidence to substantiate that the incident meets the criteria of a prohibited act under the definition of bullying as listed in the Jeffrey Johnston Stand Up for all Students Act (section 1006.147, F.S.).			For incidents reported as Bullying, found to be unsubstantiated, and determined to be another type of incident: code the original report as Unsubstantiated Bullying <i>and</i> code the incident as what it was determined to be. This is not duplicate reporting since UBL is not counted in the incident totals.		
	UHR	UNSUBSTANTIATED HARASSMENT –	After a complete investigation and follow up of a reported harassment incident, the investigator determines that there is not enough evidence to substantiate that the incident meets the criteria of a prohibited act under definition of harassment as listed in the Jeffrey Johnston Stand Up for all Students Act (section 1006.147, F.S.).			For incidents reported as Harassment found to be unsubstantiated, and determined to be another type of incident: code the original report as Unsubstantiated Harassment <i>and</i> code the incident as what it was determined to be. This is not duplicate reporting since UHR is not counted in the incident totals.		
LEVEL III	VAN	VANDALISM*	(destruction, damage, or defacement of school or personal property) - The intentional destruction, damage, or defacement of public or private/personal property without consent of the owner or the person having custody or control of it.	Student or other defacing with graffiti. Student or other keying or scratching a car. Student or other trashing a room resulting in damages of \$1,000 dollars or more.	Student or other accidentally damaging chemistry lab equipment. Student or other causing damages under \$1,000.	The amount of damage must be \$1,000 or more to be reported in SESIR, including time and labor. Previous amount of damage threshold through 2004-05 was \$100. It is important for schools to document lower-level vandalism incidents on their local student discipline referral form.		

Incident Type Level	Incident Type	Definition	Examples	Non-Examples:	Note	Related Element	Change Date & Description	
LEVEL II	WPO	WEAPONS POSSESSION*	(possession of firearms and other instruments which can cause harm) - Possession of any instrument or object (as defined by Section 790.001(13), Florida Statutes, or district code of conduct) that can inflict serious harm on another person or that can place a person in reasonable fear of serious harm.	Student or other possessing a firearm. Student or other using a knife, pocket knife, or other sharp or pointed implement to threaten or harm another.	Student after investigation found to possess a common pocket knife or eating utensil with no intent to harm. Student possessing items not covered under law or district policy such as pointed instruments, pens, or pencils. Student possessing a cutting tool that is being used in art, shop, or other class.	Offenses in this category fall under the zero tolerance policy (Section 1006.13(3) (b), Florida Statutes). Students found committing this offense are to be expelled for one year (not one school year) and referred for criminal prosecution. Effective January 7, 2003, the Legislature amended Section 1006.07(2)(f), Florida Statutes, to remove reference to a knife, and instead references "a weapon as defined in Chapter 790." In 2006, the Legislature amended the weapons definition in Chapter 790 by adding knife and further exempting plastic utensils and blunt-bladed knives and kept the pocketknife exemption. The definition in Section 790.001(13), Florida Statutes, contains those items required to be in a district's code of student conduct and exempts common pocketknife as well as plastic utensils and blunt-bladed knives. It is the legislative intent that districts enforce policies that allow for discretion in determining whether to punish students found to be in possession of items such as pocketknives, plastic utensils, blunt-bladed knives, etc. Possession of any weapon or knife (including a pocketknife) should be reported to law enforcement for investigation. Pocketknives found to be intended to use to harm another should be reported to SESIR.	Must be Weapon-Related. Complete the weapon description i.e., F-Firearm, Other (incendiary devices, explosives, etc.); H-Handgun; K-Knife; O-Other Weapon (objects can become weapons when used for bodily harm, i.e., scissors, letter openers, air-powered "guns", etc.); R-Rifle or Shotgun, U-Unknown Weapon; and Z (not applicable) for all weapon possession incidents.	
The Incident Type Level column provides a preliminary rank order of incident types for school reporting with Level I being the most serious and Level IV being the least serious. If a decision must be made between two incident types, the incident that caused the most injury or the highest loss of property or monetary cost should be reported.								
*Incidents that must be reported to SESIR and ARE EXPECTED to include consultation with law enforcement.								
An incident should be coded as Yes - Reported to Law Enforcement if an official action was taken by a School Resource Officer (SRO) or local Law Enforcement Officer such as: a case number was assigned, a report was filed, an affidavit was filed, an investigation was conducted and found to be an incident reportable to SESIR OR an arrest was made.								
The presence of, or consultation with, a law enforcement officer or SRO is not sufficient for an incident to be coded as "Reported to Law Enforcement."								
**Incidents that must be reported to SESIR, but MAY NOT NEED to include consultation with law enforcement.								
NOTES:								
For reporting to the U.S.D.O.E., the following incident types are considered to be violent incidents: Battery (BAT), Homicide (HOM), Kidnapping (KID) and Sexual Battery (SXB).								
For reporting to the U.S.D.O.E., the following incident types are considered to be violent incidents if they result in bodily injury as reported in the Incident, Injury-Related element: Arson (ARS), Bullying (BUL), Breaking and Entering (BRK), Disruption on Campus – Major (Disorderly Conduct) (DOC), Fighting (FIT), Harassment (HAR), Hazing (HAZ), Other Major Unclassified Offenses (OMC), Physical Attack (PHA), Robbery (ROB), and Sexual Harassment (SXH).

**APPENDIX EE
VACCINE STATUS AND DATE**

Vaccine Status, Date is a ten-character field which presents information about each of the vaccines required for children. For most cases, the first character tells the vaccine type, the second denotes the dose in the series and the remaining eight characters represent the date the dose in a series was administered. (Also see Immunization Status.)

Special Cases

There are also two special cases which will indicate that dates are not required for some individuals because:

- 1) they have a medical or religious exemption, or
- 2) they entered school prior to the time when individual vaccination dates were required - these students have been immunized.

Ten Character Code	Meaning
8099999999	The student has been immunized, but dates are not available for the individual doses. (The student's proof of immunization was an eligible form which did not require dates.)
90EXEMPT__	The student has either 1) a permanent medical exemption for all required vaccinations or 2) a religious exemption. (Positions 9 and 10 will be blank.)

All other vaccination information should be coded as follows:

First Character

Diphtheria, Tetanus and Pertussis (DTP/DTaP/DT/Td/Tdap)

A	DTP vaccine/DTap (4-5 doses) If the fourth primary dose of DTP is administered on or after the fourth birthday, a fifth dose is not required.
B	DT (Pediatric) vaccine - 3 to 5 doses total depending on the age of the child and the type of vaccine given. DT is acceptable for youngsters under the age of seven years (a series of four doses). DT is an acceptable substitute for DTP/DTaP if pertussis vaccine cannot be given for medical reasons.
C	Td Adult vaccine – (Refer to codes P and Q when reporting Td Adult Vaccine)
P	Tdap (Tetanus-Diphtheria-Pertussis) vaccine One dose is required for entry to seventh grade.
Q	Td (Tetanus-Diphtheria) vaccine (1-3 doses) Students who started their immunizations after age 7 should receive three doses of adult Tetanus-Diphtheria (Td) vaccine. One Tdap vaccine (code P) should be used to replace one dose of the Td for ages 11-18 in order to meet the seventh grade requirement. Effective with the 2009-10 school year, Tetanus-Diphtheria-Pertussis (Tdap) replaces the Tetanus-Diphtheria (Td) requirement for students entering seventh grade.

Polio

D	Polio vaccine (3-4 doses) If the third primary dose is administered on or after the fourth birthday, a fourth dose is not required. If the fourth dose is administered prior to the fourth birthday, a fifth dose is required. Polio vaccine is omitted from the required immunizations of children 18 years of age or older.

APPENDIX EE
VACCINE STATUS AND DATE

Second Character

Dose in series

Note: 0 should be used in special cases, including exempt status, to indicate no doses required. Special cases may include a physician's note documenting measles disease or laboratory evidence of measles immunity. This does not exempt the child from mumps and rubella immunization.

Third - Tenth Characters

YYYYMMDD Year, month, day of dose.

EXEMPT__ If the specific requirement has been exempted, enter 'Exempt' in the third-eighth positions and leave positions 9 and 10 blank.

See Section 1003.22, F.S., Compulsory Immunization Guidelines from Department of Health for instructions on how to handle incomplete date information.

Examples and conversion procedures:

1. For students in the district's automated system prior to 7/1/91:

For students with an Immunization Status of 1 (permanent immunization certificate), the date of the immunization would default to the last dose in the series, i.e., DTP 2031573 would be A519730315, except the first dose of MMR, MR or Measles should be coded as the first dose in the series.

Students with an Immunization Status of 2 (temporary medical certificate requiring follow-up), presenting a 680A (Permanent Immunization Certificate), should be treated as new enrollees and all dates entered in the system.

For students with an Immunization Status of 3 (permanent medical exemption), for one vaccine only, the date of the other immunizations would default to the last dose in the series, i.e., polio 4041076 would be D419760410.

Students with an Immunization Status of 0 presenting evidence of immunizations should be treated as new enrollees.

2. Examples:

A student presents a valid HRS 680C Permanent Medical Exemption Certificate which indicates that he must not be vaccinated for medical reasons.

This student would be coded with an Immunization Status of 3 and Vaccine Status, Date would be **90EXEMPT__**.

A student presented a valid PD 137 form at the time of initial entry into a Florida school. No vaccination dates were required.

This student would be coded with an Immunization Status of 1 and Vaccine Status, Date would be **8099999999**
