### **Status Report - District-Managed Turnaround Option Plans for Duval County**

Chair Johnson recognized Chancellor Olivia for an update on Turnaround Option Plans for Duval County. Chancellor Olivia provided updates on the relationship between the department and the Duval County personnel responsible for differentiated accountability (DA) schools. Chair Johnson then opened the Board for questions. Mr. Olenick requested the number of attempted meetings and reasons why district personnel have been unable to meet with the department. Members echoed the comments and concerns of Mr. Olenick pertaining to the lack of collaboration. Mr. Grady suggested the Board revoke previous approvals for District-Managed Turnaround Option Plans and look at other options to improve the schools.

Chancellor Olivia then introduced Dr. Diana Greene, Superintendent, Duval County for a presentation on the progress and plan for Duval County. Dr. Greene shared her plan to repurpose Northwestern Middle School as a K-5 or K-6 elementary school and moving the 7<sup>th</sup> and 8<sup>th</sup> grade students to schools that are graded C or better. Also suggested was consolidating Lake Forest Elementary School into one of their high-performing elementary schools. Chair Johnson then opened the Board for questions. Mr. Grady shared his concern for the lack of collaboration and year after year of failing grades. This was echoed by all members. Commissioner Corcoran suggested Individuals Dedicated to Excellence and Achievement (IDEA) Charter Academy takeover the ten failing Duval schools or allowing IDEA to run half of the schools and the district keeping the rest for a comparison. Superintendent Greene countered saying, Duval had a number of district charter operators and that after another year, if her plans did not work out, then they would look into IDEA taking over some or all of the DA schools. Commissioner Corcoran requested a status update to be added to the July meeting.
