MEMORANDUM

TO: Prospective Applicants

FROM: Henry Mack, Chancellor Division of Career and Adult Education 

DATE: November 14, 2019

SUBJECT: **Information Regarding Florida's Phase Two *Pathways to Career Opportunities Grant***

Less than a month after taking office, Governor Ron DeSantis made clear his commitment to the future of workforce education with the issuance of [Executive Order 19-31](#). The Executive Order reinforced the fact that Florida requires a highly skilled workforce if the state is to remain competitive. It also outlined a bold policy and funding plan for the 2019 Legislative Session which included \$10 million in state funding to establish the *Pathways to Career Opportunities Grant*, as requested by the Governor.

We are excited to announce “Phase Two” of the *Pathways to Career Opportunities Grant*, with nearly \$3 million in funding for the establishment of new or expansion of existing registered apprenticeship or preapprenticeship programs. The grant is open to high schools, school district career centers, school district charter technical career centers, Florida College System institutions, and other entities authorized to sponsor an apprenticeship or preapprenticeship program. These state funds are authorized under the 2019 General Appropriations Act, Appropriation Number 125A.

The Request for Proposals (RFP) is posted online at www.fldoe.org/pathwaysgrant. The proposal submission deadline is January 17, 2020, at 5:00 p.m. (EDT).

Please pay close attention to the key dates listed below. Failure to comply with the stated deadlines may result in disqualification.
