  • The LEA will ensure that a public agency will maintain control of funds for the services and assistance provided to a non-public school under the ESSER Fund.
  • The LEA will ensure that a public agency will have title to materials, equipment, and property purchased with ESSER funds.

• The services to be provided are determined through consultation. Examples: after consultation, LEA could calculate allocations among private schools based on total enrollment, or weighted for poverty.

Key Assurances continued...

• **Assurance 12:** (For school district LEAs) The LEA will provide an allocation to all charter schools within its district. Unless otherwise agreed between the district and the charter school(s), the charter school allocation shall be not less than the pro-rata share of the district’s total allocation, after calculation of equitable services, based on the district’s total unweighted FTE for grades K-3. The allocations for new or significantly expanded charter schools shall be based on 2020-21 unweighted FTE enrollment data. In addition, to verify that expenditures hereunder by or for charter schools meets the criteria established in the Request for Applications, the LEA will collect the required assurance from charter schools, as described in the Request for Applications.
