Acceleration Program (indicate one):

- D** . College credits earned and applied toward high school diploma.
- A** . Students must enroll in at least 12 credits during both fall and spring terms, be a senior in high school, and maintain a college GPA of 2.0 or greater.

Admission Criteria for Home School Students

- Initial Eligibility Requirements** - Placement into college-level in all areas — English, Reading and Math (MAT 1033).
- Continued Eligibility** - Earn a C or better in each course and maintain a 2.0 college grade point average on a 4.0 scale. If the student is projected to graduate from high school before the scheduled completion date of a postsecondary course, the student may not register for dual enrollment. The student may apply to the college and pay the required registration, tuition, and fees if the student meets the college's admission requirements under s.1007.263.

College-Level Course Outcomes and Expectations

- Any letter grade below a "C" will not count as credit toward satisfaction of the requirements in Rule 6A-10.030, F.A.C. All grades are calculated in a student's GPA and will appear on the student's permanent college transcript, including "W" for withdrawal. Withdrawals may affect subsequent postsecondary admission, financial aid and scholarship opportunities.
- While appropriate for college-level study, course materials and class discussions may reflect topics not typically included in secondary courses; parents may object for minors. Courses will not be modified to accommodate variations in student age and/or maturity.
- To minimize student costs for excess hours, parents/students should select courses to meet high school graduation and college degree requirements, including approved program common prerequisites. General education courses are strongly encouraged. Visit www.broward.edu/dual for a complete list of dual enrollment approved courses.

Attendance Requirements

It is the student's responsibility to attend all classes in which he/she is enrolled. High school students are responsible for completing the proper college process and notifying their parent(s) if they choose to withdraw from a course. Each faculty member is required to report non-attendance throughout the term up to the 60% period. When students do not attend class up to the 60% period, the student can be withdrawn from the course by faculty based on the class attendance policy, or the student's non-attendance.

The parent/guardian is responsible for advising the student each semester, at which time the student's eligibility for enrollment in specific approved courses at Broward College must be verified by the parent/guardian. College courses count for either 0.5 or 1 high school credit as defined by the Florida Department of Education at fldoe.org. A copy of the statement on transfer guarantees developed by the Florida Department of Education can be found at fldoe.org.
