FLORIDA SOUTHWESTERN STATE COLLEGE

AND

HOME EDUCATION PROGRAM

This Agreement is made on this ____ day of _____, 2018, by and between:

NAME OF HOME EDUCATION PROGRAM

STUDENT NAME (PRINT)

BANNER ID

DATE OF GRADUATION

BIRTHDATE

This Inter-Institutional Articulation Agreement, hereinafter referred to as the “IAA”, is effective from the 1st day of August, 2018 through the 31st day of July, 2019 between the District Board of Trustees of Florida South Western State College, (“College”) and the _____, an established Home Education Program, hereinafter referred to as “Parent.”

The purpose of the IAA is to articulate Accelerated Associate Degree Pathways: the Dual Enrollment Program and the Early Admissions Program authorized under §§1007.27 F.S.; 1007.271 F.S.; 1007.273 F.S.; 1000.21 F.S.; 1002.41 F.S.; and 1011.62(1) F.S. These programs are a cooperative effort between Florida SouthWestern State College and the School Districts of Charlotte, Collier, Hendry, Glades, and Lee counties homeschool students to provide college course taking opportunities for qualified students.

Pursuant to Section 1007.271, Each Home Education Program must enter into an articulation agreement with the College if seeking enrollment in an Accelerated Pathways course.

Definition of Terms

1. Accelerated Pathways- The Accelerated Pathways to the Associate in Arts (AA) Degree or Associate in Science (AS) Degree are the Dual Enrollment Program, the Early Admission Program and Collegiate Institutes.
2. Dual Enrollment Program- The Dual Enrollment Program is a part-time college program allowing students to earn both high school and college credit simultaneously.

3. Early Admissions Program- Early admission is a full-time college program allowing students to earn both high school and college credit simultaneously.
4. School Designee- The School's personnel authorized to submit and sign documents, such as registration and test scores.
5. Director of Accelerated Pathways- The College's person assigned the duty of overseeing the College's Accelerated Pathways.
6. Eligible Student- A student who meets or exceeds the testing requirements.

Dual Enrollment Program

Section 1: Description of Process for Informing Parents and Students

Students and parents will be informed about accelerated program opportunities and processes through the following methods:

The College will provide:

- Program flyers and posters
- College Accelerated Program website
- College advising sessions
- College Accelerated Program Orientation

Section 2: Courses and Programs Offered

1. Dual Enrollment Program courses will be offered in accordance with Sections 1000.21, F.S.; 1007.23, F.S.; 1007.24, F.S.; 1007.271, F.S.; and 1008.345, F.S.. Approved Dual Enrollment Program courses are specified by the Florida Department of Education's statewide Agreement for Dual Enrollment Courses. The 2017-2018 list is found on the DOE website at <http://www.fldoe.org/core/fileparse.php/5421/urlt/0078394-delist.pdf>. In addition, high school credit for college courses will be awarded in accordance with the aforementioned Agreement.
2. Per Section 1007.271 F.S., applied academics for adult educational instruction, developmental education, and other forms of pre-collegiate instruction, as well as physical education courses are ineligible for inclusion in the Dual Enrollment Program.
3. Students have the option of working towards CAPE Industry Certifications or College Credit Certificates pursuant to Section 1008.44, F.S. found in the College's Course Catalog. Common certifications at the College include:
 - a. Autodesk Certified User – ADSK002 (suitable for students in AS Architectural Design and Construction Technology)
 - b. Microsoft Technology Associate (MTA Windows OS Operating System Fundamentals) – MICRO076) (suitable for AS Network Systems Technology)
 - c. Emergency Medical Technician (EMT)- NREMT001 (suitable for Emergency Medical Technician Certificate)

4. Prior to enrolling in a certification program, it is the student's responsibility to meet with a College academic advisor to ensure the student meets all eligibility requirements of the program.

Section 3: Student Participation in Dual Enrollment Program

1. Students must initiate their application for Dual Enrollment Program courses through the College's online Accelerated Program Application found at <https://www.fsw.edu/admissions/dual>.
2. The student will provide the College with copies of valid test scores and transcripts, if necessary for pre-requisite criteria.
3. Students with eligible test scores (listed below) will complete an **Accelerated Pathways Registration Approval Form** to register for courses.
4. Students may access the College's academic, advising and counseling services.
5. Students are required to provide their own transportation to and from the College.
6. Students are required to secure their own Internet and computer access for online and hybrid courses.

Section 4: Student Eligibility for Participation

1. Students may take up to the following amounts of credit hours through concurrent, on-campus, or online courses:
 - a. 6th-9th grade students are limited to 9 credit hours per term and two letters of recommendations.
 - b. 10th grade students are limited to 9 credit hours per term.
 - c. Juniors and seniors may take up to 15 credit hours per term.
2. Students must take and present test scores from one of the approved state college placement exams, Post-Secondary Educational Readiness Test (P.E.R.T), SAT or ACT and place at the college level in the skill areas required for the courses the student wishes to take. The placement test scores must be valid as of the first day of the term in which the student enrolls in the course. Scores are valid for two years from date of testing.
3. The potential eligible students may take the P.E.R.T. at the College Testing Centers. Students need an updated application, **Accelerated Pathways Test Referral Form** (attached), and photo identification.
4. Pursuant to Section 1008.30(6), F.S., and § 6A-10.0315, F.A.C., which are hereby incorporated by reference, students identified as deficient in basic competencies in reading, writing, or mathematics, as determined by scores on a postsecondary readiness assessment specified in § 6A-10.0315, F.A.C., shall not be permitted to enroll in college credit courses in curriculum areas precluded by the deficiency.
5. Students must meet or exceed the following placement test scores:

	Reading	English/ Writing	Mathematics
PERT	106	103	114
ACT	19	17	19
SAT	24	25	24

6. Students may enroll in college credit courses not precluded by the deficiency; however, students may not earn more than twelve (12) college credit hours prior to the correction of all deficiencies.
7. Exceptions to the twelve (12) college credit hour limitation may be granted by the College provided that the student is enrolled in secondary course(s) in the basic competency area(s) for which the student has been deemed deficient by the post-secondary readiness assessment and is in good academic standing with a minimum College grade point average of 2.0. Students and the Parent must submit an **Accelerated Pathways Student Appeal** to the Director of Accelerated Pathways to be approved.
8. The College may request official school transcripts for course registration purposes.
9. Eligibility requirements are consistent across all modalities of instruction, including online and courses taken on the college campus, unless otherwise specified.
10. Students who have been denied admissions to the Dual Enrollment Program as a result of their prior academic performance at a public or private school will not be eligible for acceptance until more than one year after the last denial.
11. The **Accelerated Pathways Contract** details the basic expectations for participants in the Dual Enrollment Program.
12. Per Section 1007.271 F.S., regardless of meeting student eligibility requirements for continued enrollment in the Dual Enrollment Program, a student may lose the opportunity to participate in a college course if the student is disruptive to the learning process to the extent that the progress of other students or the efficient administration of the course is hindered.
13. Students must maintain at least a term 2.0 College grade point average to continue in an Accelerated Program. The College Academic Warning procedures will apply to dual enrolled students who fall below the required 2.0 College GPA. Students placed on Academic Warning are given one semester to raise their term College GPA to a 2.0. Students who do not meet the minimum GPA after one semester of Academic Warning will be dismissed from the Dual Enrollment Program.
14. High school graduates are not eligible to participate in the Dual Enrollment Program. Recent high school graduates with at least 24 earned college credit hours may enter Summer Term courses post-graduation after completing a **Request to Enter Full or Summer A Term Form**. If admitted, the students are responsible for all tuition and associated fees and materials.

15. Eligible students may take full term courses during the Fall and Spring Terms. Mini-term courses are not permitted. Eligible students may not enroll in Summer Term courses and will not be granted admission on an individual student basis.

Section 5: Delineation of High School Credit Earned

1. Approved college course offerings are specified by the Florida Department of Education's statewide Agreement of Dual Enrollment. In addition, high school credit for Dual Enrollment Program courses will be awarded in accordance with the aforementioned agreement. The Florida Department of Education provides and annually updates the Dual Enrollment Course- High School Subject Area Equivalency List. This information is available online at <http://www.fldoe.org/core/fileparse.php/5421/urlt/0078394-delist.pdf>.
2. The Parent is responsible for deciding the suitability of courses and their applicability toward high school graduation.
3. All courses must be at least three (3) credits and be taken for a letter grade, not including required co-requisite courses.
4. The Parent will apply all credits earned through the Dual Enrollment Program as subject area or elective credits toward high school graduation requirements. All credits not earned but attempted must be entered on the high school transcript.
5. Dual Enrollment Program courses must apply directly toward the student's general requirements for high school graduation as outlined in Section 1003.4282, F.S., pursuant to Section 1007.271, F.S.
6. Participating in any Dual Enrollment Program course creates a college transcript for the student. All grades, including withdrawals, will be posted to the student's permanent academic record. Low grades in college courses may adversely affect subsequent admission to colleges and universities, as well as financial aid eligibility.

Section 6: Process for Informing Students and Their Parents of College-Level Course Expectations

1. The College will provide information on college-level course expectations on the course registration form, college application and during orientation.
2. Dual Enrollment Program students requiring academic accommodation based upon a disability will be provided with an academic accommodation consistent with Section 504 of the Rehabilitation Act of 1971, as amended, 29 U.S.C. Section 794, and its implementing regulation at 34 CFR Part 104; and Title II of the Americans with Disabilities Act of 1990 (Title II), as amended, 42 U.S.C. §§12131 *et seq.*, and its implementing regulation at 28 C.F.R. Part 35. All academic accommodation shall be in conformity with 34 CFR 104.44.

- a. In order for a student to benefit from accommodations at the College level, students are required to self-identify. For information regarding the self-identification process and the services available, refer to the Office of Adaptive Services at <http://www.fsw.edu/adaptiveservices> or 239-432-7354.
 - b. It is the obligation of the individual with a disability to request a reasonable accommodation. Enrolled students must submit any request for accommodations to the Office for Adaptive Services on the appropriate campus for consideration. Individuals with a disability must provide recent documentation from a qualified, licensed professional that speaks to the specific disability and the requested accommodation. Requests for accommodations must be specific to the documented needs. Once a student has been established with the office, it is the student's responsibility to request accommodations each semester that the student is enrolled.
 - c. Individual Education Plans (IEPs) are not acceptable forms of primary documentation. IEPs are plans which were structured and agreed to with that particular school at the time they were written. They are not binding agreements with Florida SouthWestern State College. A valid IEP with the School District does not make the student eligible for college accommodations. Students with an IEP must request an accommodation. Approved School District accommodations may be helpful in determining the level of support and types of accommodations which were provided to a student in the past.
3. By signing the **Accelerated Pathways Registration Form** students agree to the Accelerated Pathways Contract on the Form.
 4. Dual Enrollment Program students and their parent(s) are invited to the College's Accelerated Pathways Orientation in order to become familiar with college-level course expectations.
 5. Dual Enrollment Program students have the same rights and considerations of all college students, as determined by the College's Students Rights and Responsibilities, found in the College's Catalog.

Section 7: Exceptions to Credit Hour Holds on an Individual Student Basis

1. Exemptions to the maximum number of allowable college credits or other items as specified in the eligibility section of this document must be approved by the Director of Accelerated Pathways and Dean of the School of Education.

Section 8: Registration Policies for Dual Enrollment Program

1. Eligible students with a current term application are to register through the College's Registration Department by completing an **Accelerated Pathways Registration Form** for any college course.
2. Students are responsible for submitting a completed form to drop or add courses pursuant to College's Registration by the specified deadlines.
3. Students enrolled in the Dual Enrollment Program are not to initiate a withdrawal from their course(s) after the official College add/drop period has ended for the term the student is enrolled without written

consent from the Parent. Students must present a completed **Accelerated Pathways Withdrawal Petition** to the College's Registration Department by the College's designated deadlines for the enrolled term. The College will follow its process for reviewing and determining eligibility for late drop/ late withdrawal petitions.

- a. **Withdrawal-** A student who wishes to withdraw from a course for academic or personal reasons, after the add/drop date and within the stated College deadlines, will receive a "W" on their College transcript. The GPA is not affected. Fees are not waived.
 - b. **Late Drop-** Removes a course or courses from a term due to major extenuating circumstances beyond a student's control, which prevent course completion and occur after the drop deadline, but prior to the midpoint of the course. Course fees and academic history for the term are removed.
 - c. **Late Withdrawal-** Withdraws a student from a course or courses due to major extenuating circumstances beyond a student's control, which prevent course completion and occur after the published withdrawal deadline. Students will receive grades of 'W' (withdrawal), and the course will be counted as an attempt. The GPA is not affected. Fees are not waived.
4. The College's Registrar makes the final determinations on late drop/late withdrawal petitions.
 5. The Director of Accelerated Pathways notifies the student of the registrant's final determination on all late drop/ late withdrawal petitions.
 6. Students will not be allowed to repeat a course until after completion of high school graduation.

Section 12: Funding Provisions of Delineated Costs

1. Textbook and Instructional Materials
 - a. Students enrolled in the Dual Enrollment Program will be exempt from payment of all registration, matriculation, and laboratory fees from the College.
 - b. Home education student's required textbooks will be provided by the College on a loan basis. Students will work through the Director of Accelerated Pathways to determine appropriate admission documents have been submitted, including a current signed IAA and District Statement of Enrollment to receive an **Accelerated Pathways Home School Book Voucher** for the textbooks.
 - i. All books must be returned at the College deadline or students will be assessed a charge for the replacement costs for textbooks and will not be permitted to register for subsequent semester or receive a transcript until the book is returned or payment is received.
 - ii. The College will not reimburse any Parent if textbooks are purchased outside of the College loan process.
 - iii. All textbooks vouchers and returns will be through the Edison-Lee Campus Bookstore site.
 - c. Specialized and limited-access programs and courses may have expenses in addition to books and materials that will be the responsibility of the student. Programs in the Health Sciences may have costs for (including but not limited to) uniform, medical testing, and background checks that are the responsibility of the student. The costs beyond the standard rate of tuition for courses with a travel component (including local, state, national, and international travel) will be the responsibility of the student.

2. Tuition

- a. Pursuant to 1011.62, F.S., students enrolled in the Dual Enrollment Program may be counted as full-time equivalent enrollment by the College.
- b. Home Education Programs are not assessed the standard tuition charge.

Early Admissions Program

The Early Admissions Program is a full-time Dual Enrollment Program providing high school students the opportunity to earn both school and college credits simultaneously by taking college courses on the College's campus or online, but not through concurrent courses. The Early Admissions Program processes are the same to that of Dual Enrollment with the following exceptions.

Exceptions

- 1. Must meet all test score requirements to be admitted.
- 2. Must be in 11th or 12th grade.
- 3. Must be enrolled full-time at College.
- 4. May not be concurrently enrolled in any homeschool course while participating in the Early Admissions Program.
- 5. Must enroll in a minimum of 12 college credit hours per semester.
- 6. May enroll up to 18 college credit hours per semester.
- 7. May not be required to enroll in more than 15 college credit hours per semester.
- 8. Eligible students who fall below the full-time status are no longer part of the Early Admission Program but may be eligible to continue to participate in the Dual Enrollment Program.

THIS AGREEMENT is an annual agreement submitted to the Director of Accelerated Pathways before start of courses.
