SUBJECT: 2021 All-Florida Academic Team announcement

I am pleased to announce the 2021 All-Florida Academic Team.

The 137 students listed in the attached document are being recognized by the Phi Theta Kappa Honor Society for their academic achievement and community service. The academic accomplishments of these students reflect our colleges' expertise in providing both high-quality educational programs and meaningful leadership opportunities for students. I share your pride in our students' exemplary performance and commitment to excellence.

So that all eligible students may participate in the recognition this year as we continue to recover from the pandemic, the Florida College System will host this year's All-Florida Academic Team Awards Ceremony via a virtual platform on Friday, April 23, 2021, to honor these students' achievements. Details regarding the virtual event will be posted on the Florida College System Foundation website at <https://www.floridacollegesystemfoundation.org/phi-theta-kappa> and will be shared with your PTK advisors/nominators.

We look forward to recognizing the hard-earned success of these students, as well as their advisors and institutions. Students will be notified tomorrow regarding their selection to this year's All-Florida Academic Team.
