MAJOR AREAS OF FOCUS

Florida College System institutions provide access to postsecondary education and meet the needs of citizens, communities and employers through a variety of programs.

• Preparing associate in arts graduates for seamless transfer into the state university system

• Aligning certificate, associate and baccalaureate workforce programs to meet local and statewide employer needs

• Accelerating students’ course and program completion through dual enrollment partnerships
Nearly Half of juniors and seniors at Florida’s state universities come from the Florida College System.
