SUBJECT: Award Amounts for the Open Door Grant Program (Agencies that Submitted an

Application)

The Florida Department of Education (FDOE) is in receipt of your agency's application for the Open Door Grant Program, which the Florida Legislature established through House Bill 1507 (Chapter No. 2021-164, Laws of Florida). Funding for this program is through the Governor's Emergency Education Relief (GEER) Fund under the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, 2021, Pub. L. No. 116-260. The award period is July 1, 2021, through September 30, 2023.

Based on the first-come, first-serve criteria established in section (s.) 1009.895, Florida Statutes (F.S.) and Rule 6A-20.045, Florida Administrative Code, FDOE is pleased to fully fund all agency requests, totaling approximately \$4.3 million for 12 districts and \$6.4 million for 18 Florida College System (FCS) institutions. This includes prioritized funding for rural agencies and agencies operating integrated education and training programs. Attachments A and B show the funding amount by agency.

In addition to fully funding agency requests on a first-come, first-serve basis, FDOE has identified a minimum base allocation for all eligible agencies, which includes school district postsecondary career centers under s. 1001.44, F.S., Florida College System institutions under s. 1000.21(3), F.S., and charter technical career centers under s. 1002.34, F.S. based on our estimation of institutional need.

Your agency is <u>not required</u> to modify any grant application documents (DOE 100A, Project Application, Open Door Narrative and Open Door Excel Workbook with Budget Narrative 101S) to receive the additional amount allocated through the minimum base allocation. Your award letter (DOE-200) will reflect the "Total Allocation," unless you choose to opt-out of receiving the minimum base amount by December 8, 2021, by notifying OpenDoor@fldoe.org.

Award Amounts for Open Door Grant Program November 18, 2021 Page Two

The minimum base amount may be spent at any time to cover the cost of attendance for programs already approved in your Open Door Excel Workbook if you determine there is an unmet need. Additionally, minimum base Open Door funds may be applied in the following circumstances with prior FDOE approval.

- The institution has begun offering an eligible program that it did not offer or choose to include at the time of application.
- Programs are added to the Master Credentials List that meet the framework of quality and are credentials of value.
- A linkage is added to the Master Credentials List between an industry certification and a program.

Prior to spending funds, agencies must submit a spending plan with a detailed budget; these documents will be due at a later date identified by the department. These special conditions will be included in the award letters, which are anticipated to be disseminated by mid-December. Also note that agencies that intend to expend funds on a line item that is different than the approved budget must submit a budget amendment to adjust spending accordingly.

To review this information, FDOE is hosting a webinar on Monday, November 29, 2021, at 2:00 PM ET.
