ANNOUNCEMENT OF BOILERMAKER APPRENTICESHIP OPENINGS

The Boilermaker trade includes the fabrication, installation, modification and repair of boilers, hydro dams, tanks, pressure vessels, furnaces and associated equipment such as stacks, platforms in fossil and nuclear power plants, petroleum refinement, chemical plants, paper mills and food and beverage plants. The skills required of a construction boilermaker consists of reading blueprints, rigging of heavy loads, burning, welding, layout, fit up, fabrication metal parts, often working in confined spaces or high places in excess of 100 feet.

BASIC QUALIFICATIONS:

Applicants must meet the following basic requirements as outlined in the Boilermakers National Apprenticeship Standards and Approved by the U.S. Bureau of Apprenticeship and Training.

A. Age

All applicants shall be at least eighteen (18) years of age. Applicants are required to submit reliable proof of age.

B. Education

Applicants shall be high school graduates or provide proof of equivalent educational attainment, such as successful completion of GED. Each applicant shall submit a copy of their high school transcript or official report of GED test results if these documents will verify graduation.

APPLICATIONS – WHEN AND WHERE TO APPLY

Applicants who meet the above requirements may apply for the apprenticeship program by filling out an application at: **Boilermakers Local Lodge No. 433, 9725 East Hillsborough Avenue, Tampa, FL 33610, phone: (813) 626-4105** on a continuous basis during regular business hours.

NOTE: Applicants must provide copies of proof of birth such as a Birth Certificate, Baptismal Certificate, DD-214 Military, voters registration and proof of education such as High School Diploma or GED Certificate when making application. Duplicated copies of the original documents must be submitted, as they will be kept by the area apprenticeship committee.

WELDING QUALIFICATIONS: Applicants that have welding experience or training will have priority selection over those with no welding qualifications or training. Applicants must provide copies of proof of welding qualification and/or training (Qualification, Certifications, Welding Diploma, etc.) when making application. Duplicated copies of the original documents must be submitted, as they will be kept by the area apprenticeship committee.

Selection of apprentices under this program is made on the basis of qualifications alone, as set forth in the approved selection procedures of the Boilermakers National Joint Apprenticeship Board for the Boilermaker Trade. All applications are afforded equal opportunity without regard to race, religion, color, sex, national origin, age or disability.

Questions regarding this program may be directed to Mr. Eric Olson, Director.
