There is an expected attendance of 400 to 450 student members and advisors at the 2015 conference.

GOAL

The goal of College Night is for FFEA members and advisors to have the opportunity to speak with college representatives about post secondary opportunities. You will be able to provide the members and advisors with information about your college or organization, its education and financial programs.

INFORMATION

This year, our goal is to create great excitement and energy around college night. In order to achieve this goal, we would like to raffle a GRAND PRIZE to one student who attends college night. The prize will be presented on behalf of participating colleges and universities during the closing activities on Sunday, February 8. To this end, we are asking that you consider a monetary donation of \$50-\$100 in lieu of a booth fee. You may also consider donating gift cards. If this is not a viable option for your school, feel free to donate a door prize valued at \$50.00, as we have asked in previous years. The following commitment form has been provided for you to indicate the selection that best meets your needs.

Please complete and return by Friday, December 12, 2014.
