Public Speaking Competition

OVERVIEW:

This is an individual student competition. Students will compose a speech of two to three minutes on the assigned topic. The students with the top 20 speech entries will deliver their speeches at the 2019 State Conference.

ELIGIBILITY:

- **Only one student's speech PER CHAPTER will be considered.** Each chapter must select one student to represent them. If multiple entry forms are received, those students will be disqualified.
- The speech must be about the assigned topic (See the **TOPIC** section below).
- Students entering the speech competition **MUST** register for and be present at the conference, as this competition is held on-site.
- During on-site registration, advisors will receive a schedule identifying the time that each member is expected to deliver his/her speech.
- Students are expected to bring two printed copies of the speech with them to the conference for the judges.
- First place winners should be prepared to deliver their speeches at the closing session on Sunday.
- Students entering the Public Speaking Competition must wear professional attire while delivering their speech.

TOPIC:

Writing Prompt: Social media has a prominent role in shaping our world; can there be an opportunity for its use in the classroom?

As you craft your response, consider the following points:

- Our world seems to be shaped by social media on a day-by-day, minute-by-minute basis.
- Our favorite musicians, game designers, YouTube stars and celebrities are masters at interacting and engaging with their fans using social media.
- Social media celebrities know how to grab our interest even though there is stiff competition in the pop culture scene — and in our daily lives — for our time and attention.
- Social media is considered by some to be a divisive force in our society and a distraction to its users.
- Even though social media has become a major mode of communication in our daily lives, many schools and classrooms have policies banning cell phones in the classroom.

GUIDELINES:

- The length of the speech cannot exceed three (3) minutes and cannot be less than two (2) minutes. Points will be deducted from presentations that fail to adhere to the permissible time range.
- Speeches are expected to be well-practiced and ready for delivery. Note cards will be permitted, but students must not read their entire speeches from the cards.
- Speech must be on the topic listed above, providing insight into the issue, as well as relevant and innovative solutions.

SCORING:

- The speech will be scored using the attached rubric. The written speech will be scored using the first two categories of the rubric and the delivery of the speech will be judged using the last two categories. The maximum total number of points possible is 16.
- The students with the top 20 written speech entries (based on the first two rubric categories) will deliver their speeches at the conference.
- The first, second, and third place winners will be announced during the closing session on Sunday. The first place winner will deliver his/her speech at that time.

DEADLINE:

Submit the completed entry form and **written speech** to the FFEA State Coordinator by email (EdRecruit@fldoe.org) no later than **Friday, November 16, 2018**.
