MEMORANDUM

DATE: February 5, 2013

TO: District School Superintendents

FROM: Linda Champion

SUBJECT: February 2012-13 Student Transportation Survey Information

The February 2012-13 student transportation survey will be conducted the week of February 11-15, 2013. The Automated Student Information System (student transportation format) is used by all districts to transmit their February student transportation information.

Please refer to the <u>2012-13 Student Transportation General Instructions</u> for assistance with student eligibility, reporting criteria, instructions for the Automated Student Information System, and reporting deadlines. A list of the reporting deadlines is attached for your convenience. The deadline for initial full submission of February survey data is Friday, March 1, 2013. Any corrections or revisions to this data must be addressed prior to Friday, March 15, 2013, the system cutoff date. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Thursday, March 21, 2013. The February student transportation information provided in this letter must match that reported in the

The information in this letter will be compared with the Department's report to ensure that accurate information is used in the transportation funding formula.
