MEMORANDUM

TO: District School Superintendents

FROM: Linda Champion

DATE: October 5, 2017

SUBJECT: October 2017-18 Student Transportation Survey Information

The October 2017-18 student transportation survey will be conducted during the week of October 9-13, 2017. The Automated Student Information System (student transportation format) will be used by all districts to transmit their October student transportation survey information.

Beginning in the 2017-18 school year, the Student Transportation General Instructions (including information regarding student eligibility and reporting) will be included in Appendix F of the 2017-18 FTE General Instructions. As indicated in the attached schedule of reporting deadlines for 2017-18 through 2020-21, beginning with the October 2017 survey, the reporting period has been shortened from 11 days to include only the five days scheduled for survey week.

The system cut-off date for reporting October survey data is Friday, December 15, 2017. Any corrections or revisions to this data must be addressed by this date. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Wednesday, December 20, 2017. The October student transportation information provided in this letter must match that reported in the district database as of the final cut-off date. **Districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for the certification letter.** The information in this letter will be compared with the Florida Department of Education's (department) report to ensure that accurate information is used in the transportation funding formula.
