MEMORANDUM

TO: District School Superintendents
FROM: Linda Champion
DATE: February 7, 2017

SUBJECT: February 2016-17 Student Transportation Survey Information

The February 2016-17 student transportation survey will be conducted the week of February 6-10, 2017. The Automated Student Information System (student transportation format) will be used by all districts to transmit their February student transportation survey information.

Please refer to the 2016-17 Student Transportation General Instructions for assistance with student eligibility, reporting criteria, instructions for the Automated Student Information System and reporting deadlines. Please note that language has been added to clarify that the sum of “Days in Term” reported for surveys 2 and 3 for the same fiscal year is the lesser of 180 days or the actual number of days the district’s schools are in session during the school year.

A list of the reporting deadlines is attached. The deadline for initial full submission of the February survey data is Friday, February 24, 2017. Any corrections or revisions to this data, prior to the amendment window, must be addressed by Friday, March 10, 2017, the system cut-off date. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Friday, March 17, 2017. The February student transportation information provided in this letter must match that reported in the district database as of the final cut-off date. Districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for use in the certification letter. The information in this letter will be compared with the department’s report to ensure that accurate information is used in the transportation funding formula.
