Degree Name: Telecommunications Engineering Technology

CIP Number: 1615030302

Industry Certification: Cisco Certified Network Professional (CCNP)  
Code: CISCO005

College Credit: This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits or a block of credit toward the above AS program is 12 hours of credit. This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.

Validation Mechanism:

To be eligible for articulation, the student must show evidence of their current Cisco Certified Network Professional (CCNP) certification and it must have been issued within three (3) years prior to their enrollment in the program.

Rationale/Justification:

The Cisco Certified Network Professional (CCNP) certification represents industry acknowledgement of technical skill attainment of competencies in the Telecommunications Engineering Technology program.

Applicability:

State college administrators were consulted and agreed that the Cisco Certified Network Professional (CCNP) certification shall articulate twelve (12) college credit hours to the AS degree in Telecommunications Engineering Technology.

Articulated credit awarded under this agreement may only be applied to the above AS degree.
