McFatter Technical High School and College	<p>The teachers have decided that they would like to do a variety of activities, choosing the activity according to their students' interests and their content area. The following is a list of activities we have decided to choose from. Have themed reading days. For example, 'Going Wild About Reading', the students read about wild animals. Research and Find your Favorite or Inspiring Quote Day. Research and Find your Favorite or Inspiring Sport Day. The Media Center could have a Book Swap. The students would bring in a slightly used book to swap for another. Stop, Drop and Read would be great. In January, the ALA honors books and media for children and teens and do a display of our 'teen reads'. Participate in the Million Minute Marathon Have a Read-A-Thon Choose an author a day and read one of his/her works. Choose a poet a day and read and interpret one of his/her works. Have the students write poetry (These could be entered into one of the poetry contests) Reading a one-act play out loud in classes assigning the parts. A Word Write Challenge</p>	<p>The teachers have decided that they would like to do a variety of activities, choosing the activity according to their students' interests and their content area. Pioneer Middle School	Morning Announcements: We encourage families to visit http://justtake20.org to create a FREE account through the 'Sign Up Now!' link. This will allow them to create a family literacy plan where they will have access to reading and writing resources and activities that can be used at home or on the go. There are also resources for struggling readers and English Language Learners. Each family can build its own family profile, score points and earn badges, while having fun with various reading and writing activities.	PLC: Teachers and other school staff are encouraged to sign up for an account to gain access to the Educator's Hub that will provide teachers with resources designed to help them provide literacy support to students and families. The Educator's Hub also has resources available about how to host a REaD Carpet Ready Event at their school to provide families with literacy tools to encourage reading at home!	Susie Ruder, children's book author of The Train Ride will speak to our students and read a chapter of her book. Summary - In 1960, two kids meet on a train ride bound for New York City. In spite of the obstacles that could have easily kept them apart, they find a way to celebrate their journey together, making memories that will last them a lifetime. In this heartwarming story, the realization that we are more alike than different, nurtures a friendship that is more powerful than the rules that separate them. Wise beyond their years, they know without a doubt that where there's a will, there's a way.	School-wide DEAR (Drop Everything And Read)	8th Grade Language Arts Teachers will have their students participate in a reading activity surrounding the novel Miss Peregrine's Peculiar Children.
Piper High School	12th grade students will be participating in a read aloud with our ESE cluster. The book review will take place on the broadcast of the school's morning news.</p>	<p>A Guest Reader will read to students in the Media Center or cafeteria throughout the day.</p>

<p>During the week of Jan. 25 - 29 in the media center reading will be the main focus for the Media Specialist activities with grades K-2. With these classes she will be doing activities with the FRA story titled: A boy and Jaguar By Alan Rabinowitz. This is a true story about what this author went through as a child who stutters and his desire to be the voice for animals in danger or in harms way. Students will be doing various writing activities to express how they can use their voices to help others in school, at home or in their communities. The author started doing this as a child so why can't they do it as well. Those classes and students participating in the AR program will be also encouraged to take the AR test on this book as well. 3rd - 5th grade classes are working on various research projects where they are reading from online resources to gather information for reports that they are creating. 3rd grade is working on finishing up their US Constitution project and learning how to navigate Destiny Quest and documenting resources. 4th grade will begin working on their Famous African American from Florida timeline using Inspiration. They will be accessing the various online resources available from the county to find information to create and develop this timeline. 5th grade is working on their African American Scrapbook and like 4th grade using various online resources from the county and other websites to gather information that is needed to complete this project. With all projects the focus is to make sure the students are learning how to accurately document where their information is coming from and to be able to summarize and take</p>	<p>During the week of Jan. 25 - 29 in the media center reading will be the main focus for the Media Specialist activities with grades K-2.
