John M. McKay Scholarship Program

November 2015 Quarterly Report

The John M. McKay Scholarships for Students with Disabilities Program allows parents of students with disabilities to choose the best academic environment for their children. This program provides eligible students the opportunity to attend a participating private school or transfer to another public school. Eligible students include students who have been issued an Individualized Education Plan (IEP) or a 504 Accommodation Plan that is effective for more than 6 months.

This report contains private school and student statistics for the September 2015 and November 2015 payment periods of the 2015-16 school year. Percentages are rounded.

-- Next quarterly report will be available: February 2016 --
