The Florida Legislature and State Board of Education recognize multiple pathways for demonstrating the standards required to qualify for a Professional Florida Educator’s Certificate. This rule sets forth the requirements and implementation of the approval process for each type of educator preparation program offered by a Florida postsecondary institution or public school district. Each institution offering any program prescribed in this section shall report to the Department annually the number of participants enrolled in each program and the number of program completers.

(1) Initial Teacher Preparation Programs.

(a) General Criteria. The Department of Education is authorized pursuant to Section 1004.04, F.S., to approve initial teacher preparation programs and to grant extensions of approvals in accordance with the provisions of this rule. Initial Teacher Preparation Programs include all programs that prepare instructional personnel and result in qualification for an initial Professional Florida Educator’s Certificate in the program area(s). Each approval or extension shall be for the period of time determined by the Department of Education but shall not exceed seven (7) years.

1. An institution eligible to offer one or more approved programs shall be a Florida public or nonpublic institution that requests approval of an initial educator preparation program, has legal authority to grant appropriate baccalaureate or post-baccalaureate degrees for an area of certification specified in Chapter 6A-4, F.A.C., and meets accreditation requirements as prescribed in subsection 6A-4.003(1), F.A.C. A denial of approval shall include identification of specific areas of program weakness that must be corrected prior to reconsideration of approval. For programs receiving initial approval, the institution shall be appraised of the requirements for continued approval.

(d) Continued program approval.

2. During the final year of the program approval period, the Department shall examine the results of the institution's annual reviews for each year of the approval period and the findings of the institutional site visit team. The Department shall then recommend to the Commissioner continued approval or denial of approval for each initial educator preparation program. The institution shall be notified in writing of the continued approval decision. A denial of approval shall include identification of specific areas of program weakness.
