FISCAL YEAR
1415**

STUDENT COURSE SCHEDULE - REJECT RULES

 **4A. If Course Number = 9900130-9900135 (GED Prep courses), then School Number, Current Instruction/Service must be a valid active school on the Master School Identification (MSID) file with School Function/Setting = D (DJJ). -record rejected-**

EXAMPLE

The second Student Course Schedule record listed below would be loaded to the database assuming no other reject rule would cause its rejection. The first and third records would be rejected because the School Function/Setting is not D (DJJ) on the MSID.

<i>Student Course Schedule Records</i>				<i>MSID</i>		
District Number, Current Instruc./Service	School Number, Current Instruc./Service	Student Number Identifier, Florida	Course Number	District Number	School Number	School Function/Setting
* 49	0201	123456789X	9900133	49	0201	Z
49	9031	123456790X	9900132	49	9031	D
* 49	9013	123456791X	9900130	49	9013	M

DISTRICT RESPONSIBILITY

If the rejected records should not have been submitted, no action is required. However, if the district wishes the data in the rejected records to be loaded to the database, the district must correct the Course Numbers on the Student Course Schedule records or the school type on the Master School Identification file and resubmit the records for processing.
