46.   The first two digits of the Period Number must be 00-80 while the last two digits must be 00-80, or 88 and be greater than or equal to the first two digits. For Survey 4, period 9800 may also be reported. -record rejected-

Note: For more information on Period number refer to the <u>DOE Information Data Base Requirements: Volume I -- Automated Student Information System </u>manual.

EXAMPLE

The first three Student Course records listed below would be loaded to the data base assuming no other reject rule caused their rejection. The fourth record would be rejected because the Period Number has an ending period with a value less than the beginning period. The last record would be rejected because the last two digits of Period Number are not in the acceptable range.
