➔ **52. If English Language Learners, PK-12 is LF and if there is a matching English Language Learners Information record, then the English Language Learners: Basis of Exit (First) must not = Z. The match between the two records should be done by matching both the District Number, Current Enrollment and District Number, Current Instruction/Service on the Student Demographic Information record to the District Number, Current Enrollment on the English Language Learners Information record. The following elements should also be used in the matching process: Student Number Identifier, Florida; Survey Period Code; and School Year. –state validation-**

EXAMPLE

The Student Demographic record listed below marked with an asterisk would cause a message to be generated because the English Language Learners: Basis of Exit code is Z for a student with an English Language Learners, PK-12 code of LF.
