

# **THE FOLLOWING CHANGES ARE FOR FISCAL YEAR**

## **1011**

Education Information and Accountability Services is in the process of converting the 2010-11 Database Manuals to a 508 compliant format. If you are visually impaired and need assistance reading the manuals, please contact Harold McLeod at [harold.mcleod@fldoe.org](mailto:harold.mcleod@fldoe.org) or (850) 245-0400.

## FEDERAL/STATE COMPENSATORY PROJECT EVALUATION - REJECT RULES

-  1. **District Number, Current Instruction/Service must be numeric in the range 01-69 or 71-75, and must be correct for the district submitting the data. -record rejected-**

### EXAMPLE

If district 01 is submitting records, District Number, Current Instruction/Service must be 01 for all records. In the records listed below, the first two records would be loaded to the data base assuming no other reject rule would cause their rejection. The third record would be rejected since the District Number, Current Instruction/Service is 02 rather than 01 (the number of the district submitting the record).

District Number, Current Instruction/Service	School Number, Current Enrollment	Student Number Identifier, Florida
01	0021	012345677X
01	0021	012345678X
* 02	0021	012345679X

### DISTRICT RESPONSIBILITY

If the rejected record should not have been submitted, no action is required. However, if the district wishes the data in the rejected record to be loaded to the data base, the district must correct the District Number, Current Instruction/Service and resubmit the record.

## STUDENT END OF YEAR STATUS – REJECT RULES

 21. If Dropout Prevention Performance-Based Exit Option Test Results is P or F, then Grade Level must be 10 or higher. -record rejected-

### EXAMPLE

 The first and second records listed below would be loaded to the data base assuming no other reject rule would cause their rejection. The third record would be rejected because there is an invalid relationship between Dropout Prevention Performance-Based Exit Option Test Results and Grade Level.

 Student Number Identifier, Florida	DOP Performance-Based Exit Option Test Results	Grade Level
123456789X	P	11
123456790X	F	10
* 123456791X	P	09

### DISTRICT RESPONSIBILITY

 If the rejected record should not have been submitted, no action is required. However, if the district wishes the data in the rejected record to be loaded to the data base, the district must correct either the Dropout Prevention Performance-Based Exit Option Test Results or the Grade Level and resubmit the record.

## STUDENT END OF YEAR STATUS – REJECT RULES

 **3D. The Dropout Prevention Performance-Based Exit Option Test Results code must be P, F, or Z. If the Performance-Based Exit Option Test Results code is P, then Diploma Type must either be W10, WGD or WGA. If the Diploma Type code is W10, WGD or WGA then the Dropout Prevention Performance-Based Exit Option Test Results code must be P. -record rejected-**

### EXAMPLE

 The first record listed below would be loaded to the data base assuming no other reject rule would cause its rejection. The second and third records would be rejected because the valid relationship between the Dropout Prevention Performance-Based Exit Option Test Results and Diploma Type does not exist.

 Student Number Identifier, Florida	DOP Performance-Based Exit Option Test Results	Diploma Type
123456789X	P	W10
* 123456790X	F	WGD
*123456791X	P	W06

### DISTRICT RESPONSIBILITY

 If the rejected records should not have been submitted, no action is required. However, if the district wishes the data in the rejected records to be loaded to the data base, the district must correct either the Dropout Prevention Performance-Based Exit Option Test Results code or the Diploma Type and resubmit the records.
