**R\*** - Effective 7-01-08 for the 2008-09 school year and beyond, STA and NRT are no longer approved for entry/exit assessment for English language learners (ELLs). Prior to 7-01-08 for ELLs only, the NRT reading portion of FCAT may be used (i.e., the Stanford 10). The code FCA may be used to report the scores previously reported using the Stanford Achievement Test (STA). If districts are using an abbreviated form of the Stanford Achievement Test to assess ELLs for reading/writing, then the Stanford Achievement Test with code STA must be used to report these scores
