- 3. If the student is identified as "LZ" for the English Language Learners, PK-12 data element, do not submit an English Language Learners Information Format because the English Language Learners: Post Reclassification Dates are for Local Accountability and District Records Transfer purposes only. Do not submit a record for English Language Learners Format if the student is identified as "ZZ".
- 4. For Survey Period 7 submit a separate record for each student identified as LY or LP for the English Language Learners, PK-12 data element. Also send a record for any student determined to be LF on the English Language Learners, PK-12 data element between June 1, 2009 and January 15, 2010 (last day of Survey 7 state processing). All test related fields should be Z-filled or zero-filled as appropriate. - 5. In Surveys 2, 3 and 5 for students identified as LY report the following entry test information:
 - a) For students in grades KG-02 report the aural/oral test scores that determined the student eligible and in need of services. These are reported in the test fields for Listening and Speaking. No Reading and Writing scores are applicable for entry.
 - b) For students in grades 03-12, report aural/oral test scores in the test fields for Listening and Speaking. Also, report Reading and Writing test scores for students who tested proficient in aural/oral skills based on assessment.

c) For students who have a reclassification date and an English Language Learners: Basis of Entry code of "L", test scores are optional.

Report initial entry test information in each Survey period until the student is identified as LF.

Note: Zeros may be valid test scores. In Surveys 2, 3 and 5 for students identified as LF, report exit test information as appropriate for the student's English Language Learners: Basis of Exit codes. Do not send CELLA, Test Forms 1 and 2, and FCAT scores as these are already available to the Department.

- 6. In Surveys 2, 3 and 5 for students identified as LF, report exit test information as appropriate for the student's English Language Learners: Basis of Exit codes. Districts using CELLA Form 3 for entry purposes must report these scores. CELLA Test Form 3 is not allowable for exit testing. Do not send CELLA, Test Forms 1 and 2, and FCAT scores as these are already available to the Department.
- 7. Report one or two English Language Learners: Basis of Exit codes. Codes B-G require two codes. If codes B, E, F or L are reported all test information may be Z-filled or zero-filled, as appropriate.
