REQUIREMENTS
ORMATION SYSTEM
Fiscal Year 1990-91
July 1, 1990

Implementation Date:

Element Name: Course, State Subject Area Requirements (Continued)

Definition/Domain (Continued)

Courses in the Social Studies section of the <u>Course Code Directory</u> which meet specific graduation requirements will be coded to match the graduation requirement which they address: **EC** - Economics, **WH** - World History, **AH** - American History, and **AG** - American Government. Social Studies courses which do not meet specific graduation requirements will be coded as Electives (**EL**) or Social Studies Electives (**SS**) depending on district policy.

Courses in Foreign Languages may be coded as Electives (*EL*) or as Foreign Language Electives (*FL*) depending on district policy. If the student is completing course work for college admissions or the Florida Academic Scholar Program, Foreign Language courses should be coded *FL*.

Since all Science and Mathematics courses currently listed in the <u>Course Code Directory</u> meet specific graduation requirements, any credits in Mathematics or Science taken above the minimum graduation requirements should be coded **MA** or **SC** as appropriate.

Computer Education (*CE*) may be substituted for an elective credit when a district's local policy requires a student to complete a computer education course in order to graduate.

Students entering grade nine on or after the 2007-08 school year may use Performing Fine Arts (**PF**) or Practical Arts with Artistic Content (**PA**) to meet graduation requirements as defined in section 1003.428(2)(a)5, Florida Statutes as follows: "One credit in fine or performing arts, speech and debate, or a practical arts course that incorporates artistic content and techniques of creativity, interpretation, and imagination." A listing of courses that meet the PA definition can be found in the <u>Course Code Directory</u>.

The Arts graduation requirement may be fulfilled by substituting one of the basic Computer Education or Journalism courses on a curriculum equivalency basis. If a substitution is made, a 1 should be shown in the Course Flag field.

Half of the credit earned in a course coded **SV** satisfies the graduation requirement for Science and half satisfies the graduation requirement in the Vocational area.

*Life Management Skills (*LM*) graduation requirement was effective for students entering grade nine prior to the 2007-08 school year.

Implementation Date: Fiscal Year 2008-09 July 1, 2008
