STUDENT END OF YEAR STATUS - STATE VALIDATION

Edit 46 deleted October 9, 2008 which reads:

→ 46. Deleted 10/9/08. If the FTE amount is greater than zero for either of the following data elements:

- FTE Earned: Advanced International Certificate of Education Diploma
- FTE Earned: Advanced International Certificate of Education Score

then the student must exist on the table of students who took Advanced International Certificate of Education (AICE) courses in Surveys 2 or 3 of the current school year. The District Number, Current Enrollment on the Student End of Year format must match the table record and either the Student Number Identifier, Florida or the Student Number Identifier - Alias, Florida must match the Student Number Identifier, Florida on the table. See Appendix V for a list of AICE Course Numbers. —state validation—

TITLE I SUPPLEMENTAL EDUCATIONAL SERVICES – REJECT RULES

- ➔ 24. If survey Period is 3, 5 or 9, Title I Supplemental Educational Services School must be a school that is required to provide the No Child Left Behind Choice of Title I Supplemental Educational Services. The school must have a School In Need of Improvement (SINI) status equal to or greater than 1 in the Master School Identification (MSID) file in the SINI_Status field. - record rejected-

EXAMPLE

The first, second and fourth records listed below would be loaded to the data base assuming no other reject rule would cause their rejection. The third record would be rejected because the Title I Supplemental Educational Services School is not required to provide Title I Supplemental Educational Services and, thus, does not have a code equal to or greater than 1 in SINI status on the MSID file.

District Number, Current Enrollment	Title I Supplemental Educational Services School	Student Number Identifier, Florida	MSID SINI Status
01	0041	012345676X	2
33	0031	012345677X	3
* 28	0071	012345678X	0
* 58	0261	012346579X	1

DISTRICT RESPONSIBILITY

If the rejected record should not have been submitted, no action is required. However, if the district wishes the data in the rejected record to be loaded to the data base, the district must correct the Title I Supplemental Educational Services School and resubmit the record.
